

Temos que plantar se nos queremos alimentar.

LA AGRICULTURA FAMILIAR NOS UNE

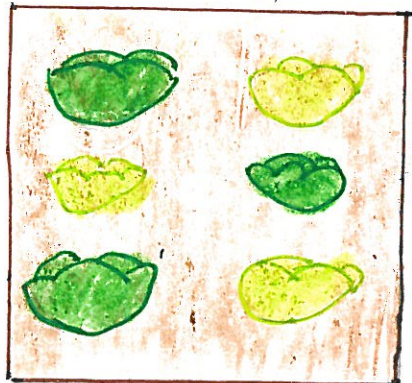

La agricultura
es el paso para
el futuro

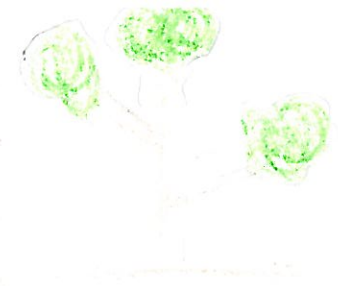

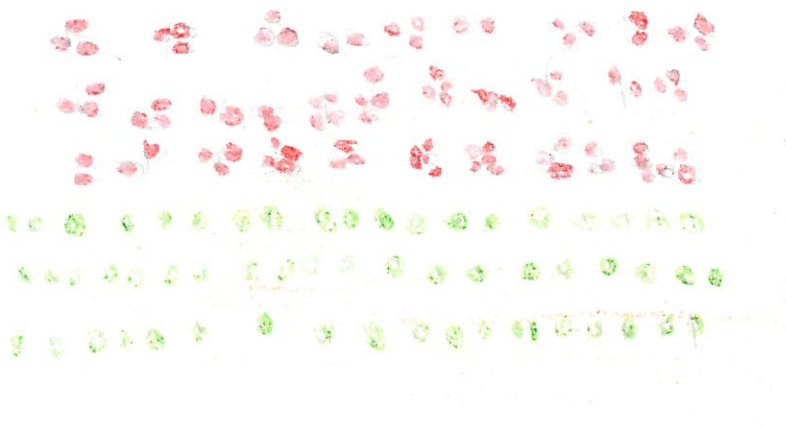

"La agricultura
es disfrutar
con la
familia"

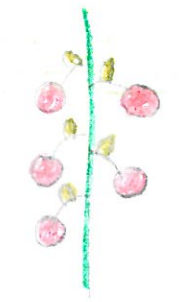

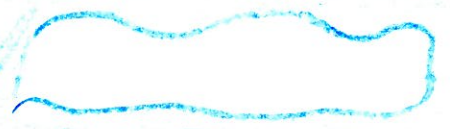

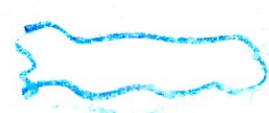

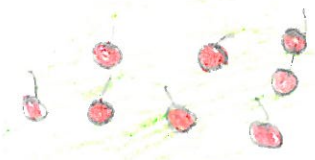

Icia Becerra González. 5^ºA

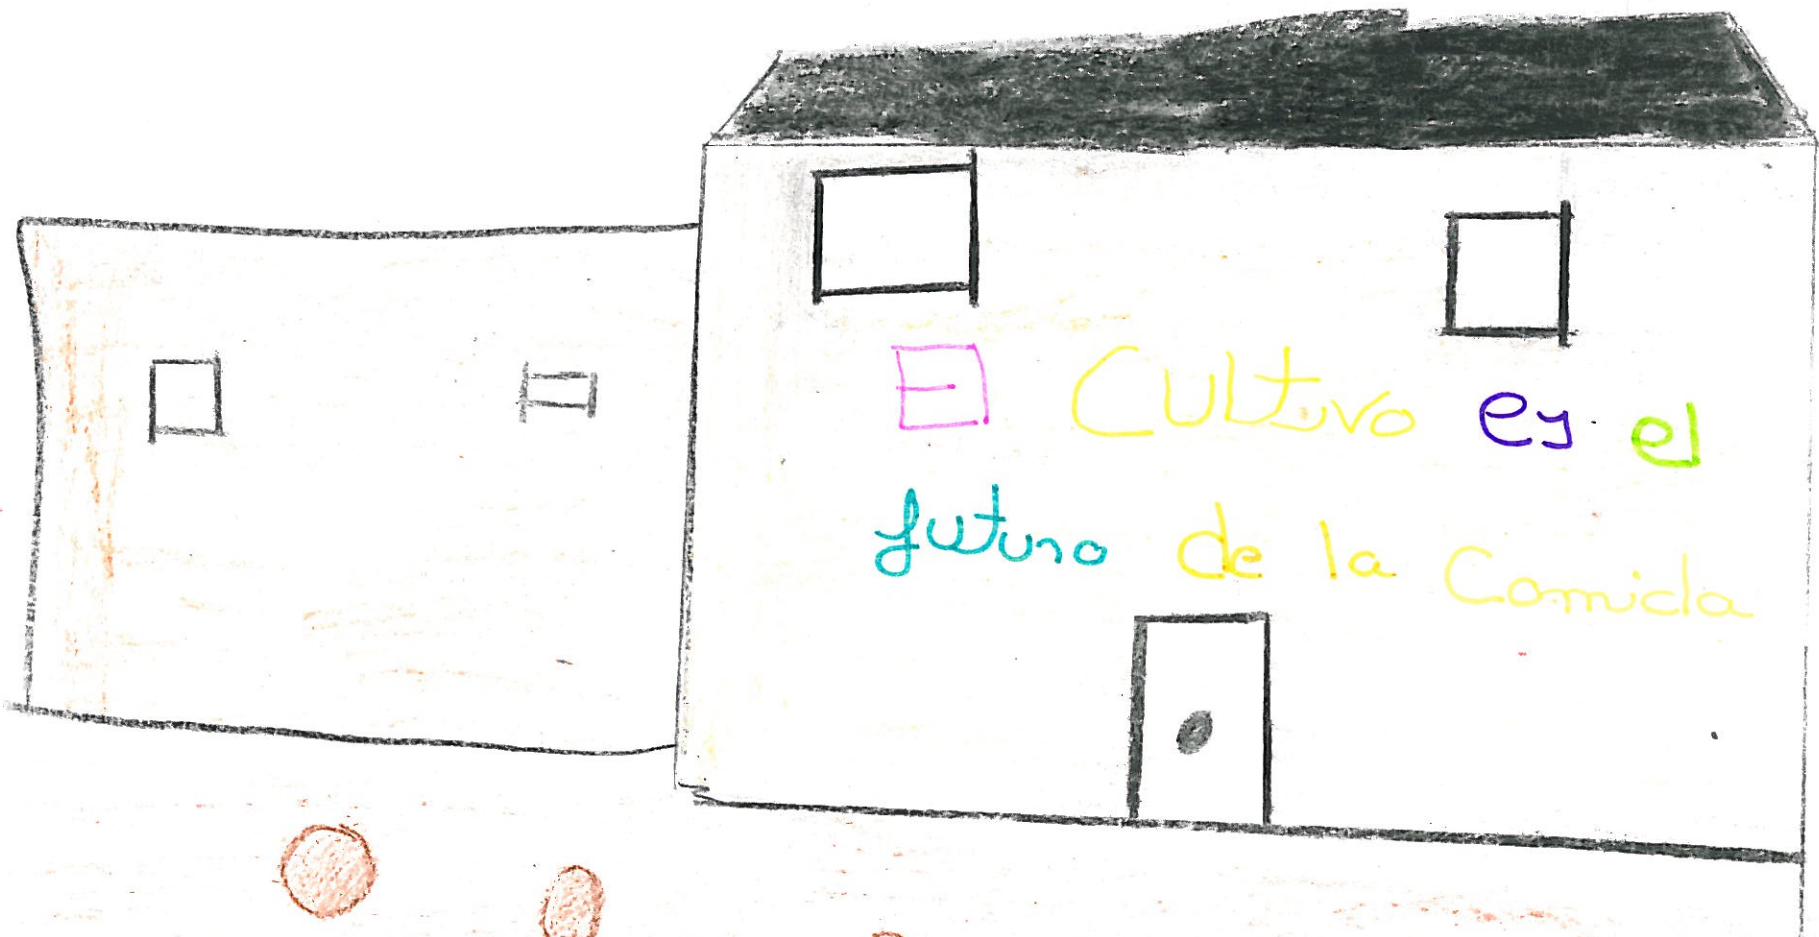

Cultivo verduras para comer sano

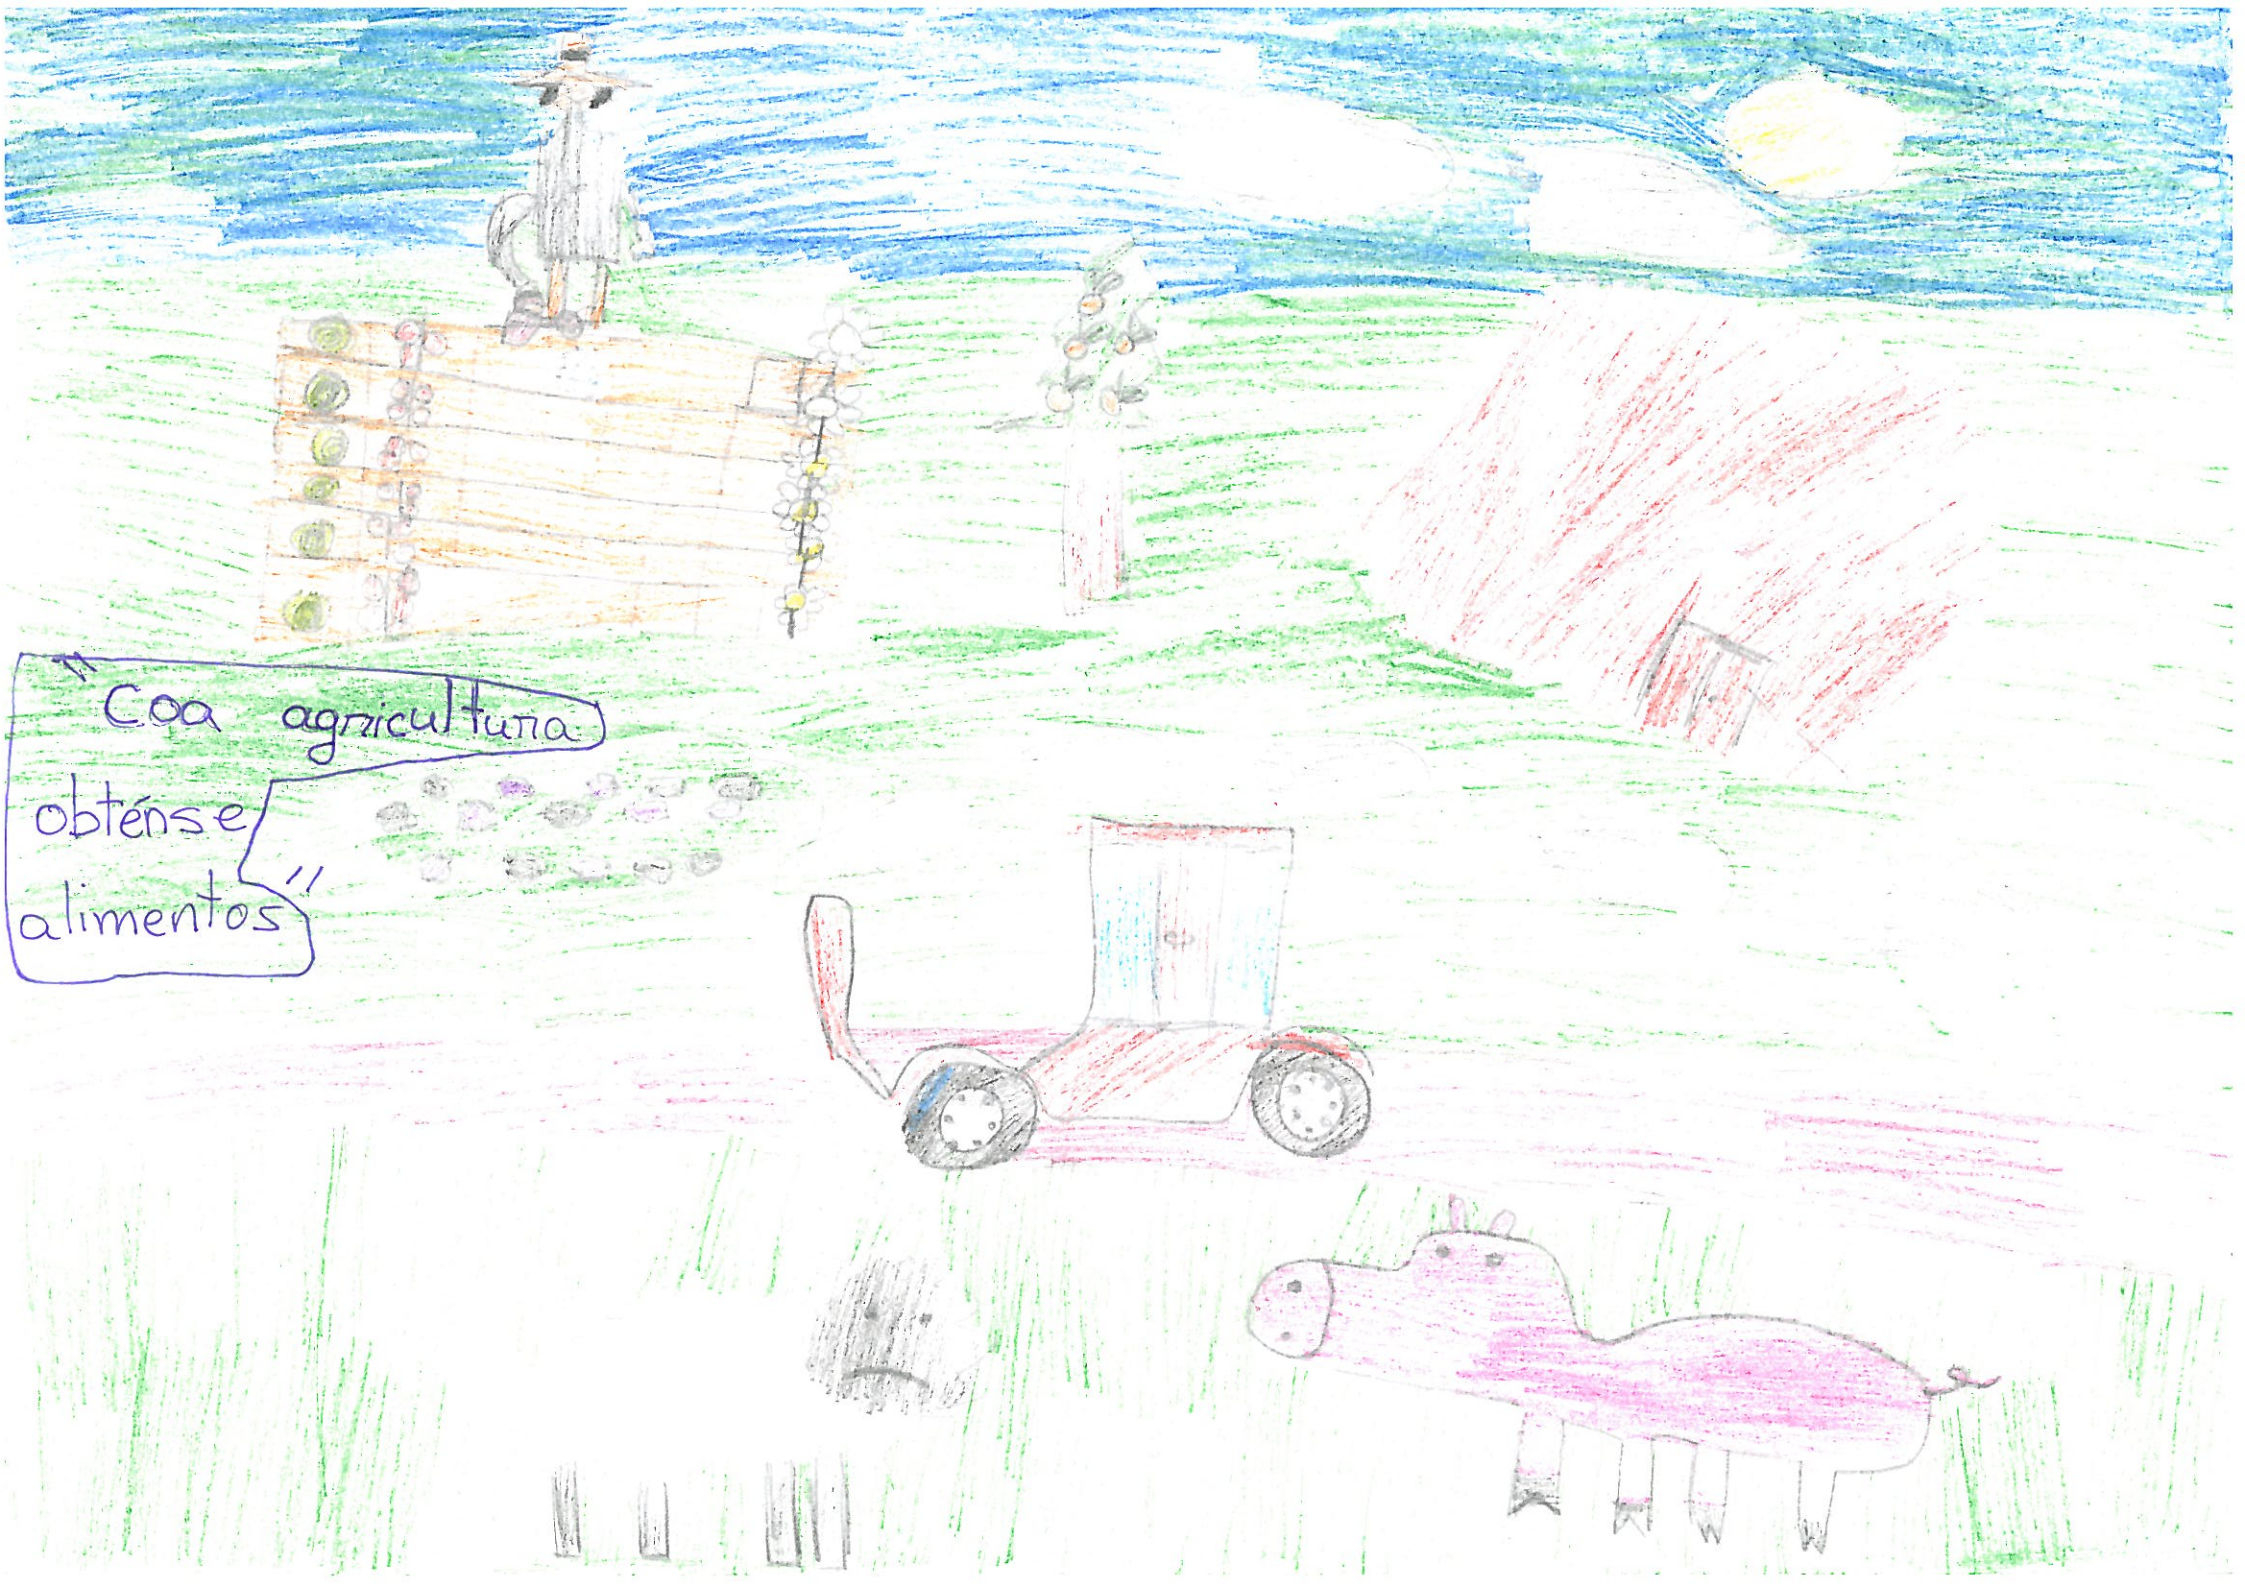

La agricultura
familiar nos quita
el hambre

El Cultivo es el futuro de la Comida

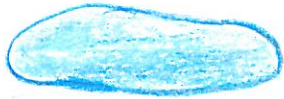

"Coa agricultura
obtéense
alimentos"

Agricultura familiar cultivamos para
comez.

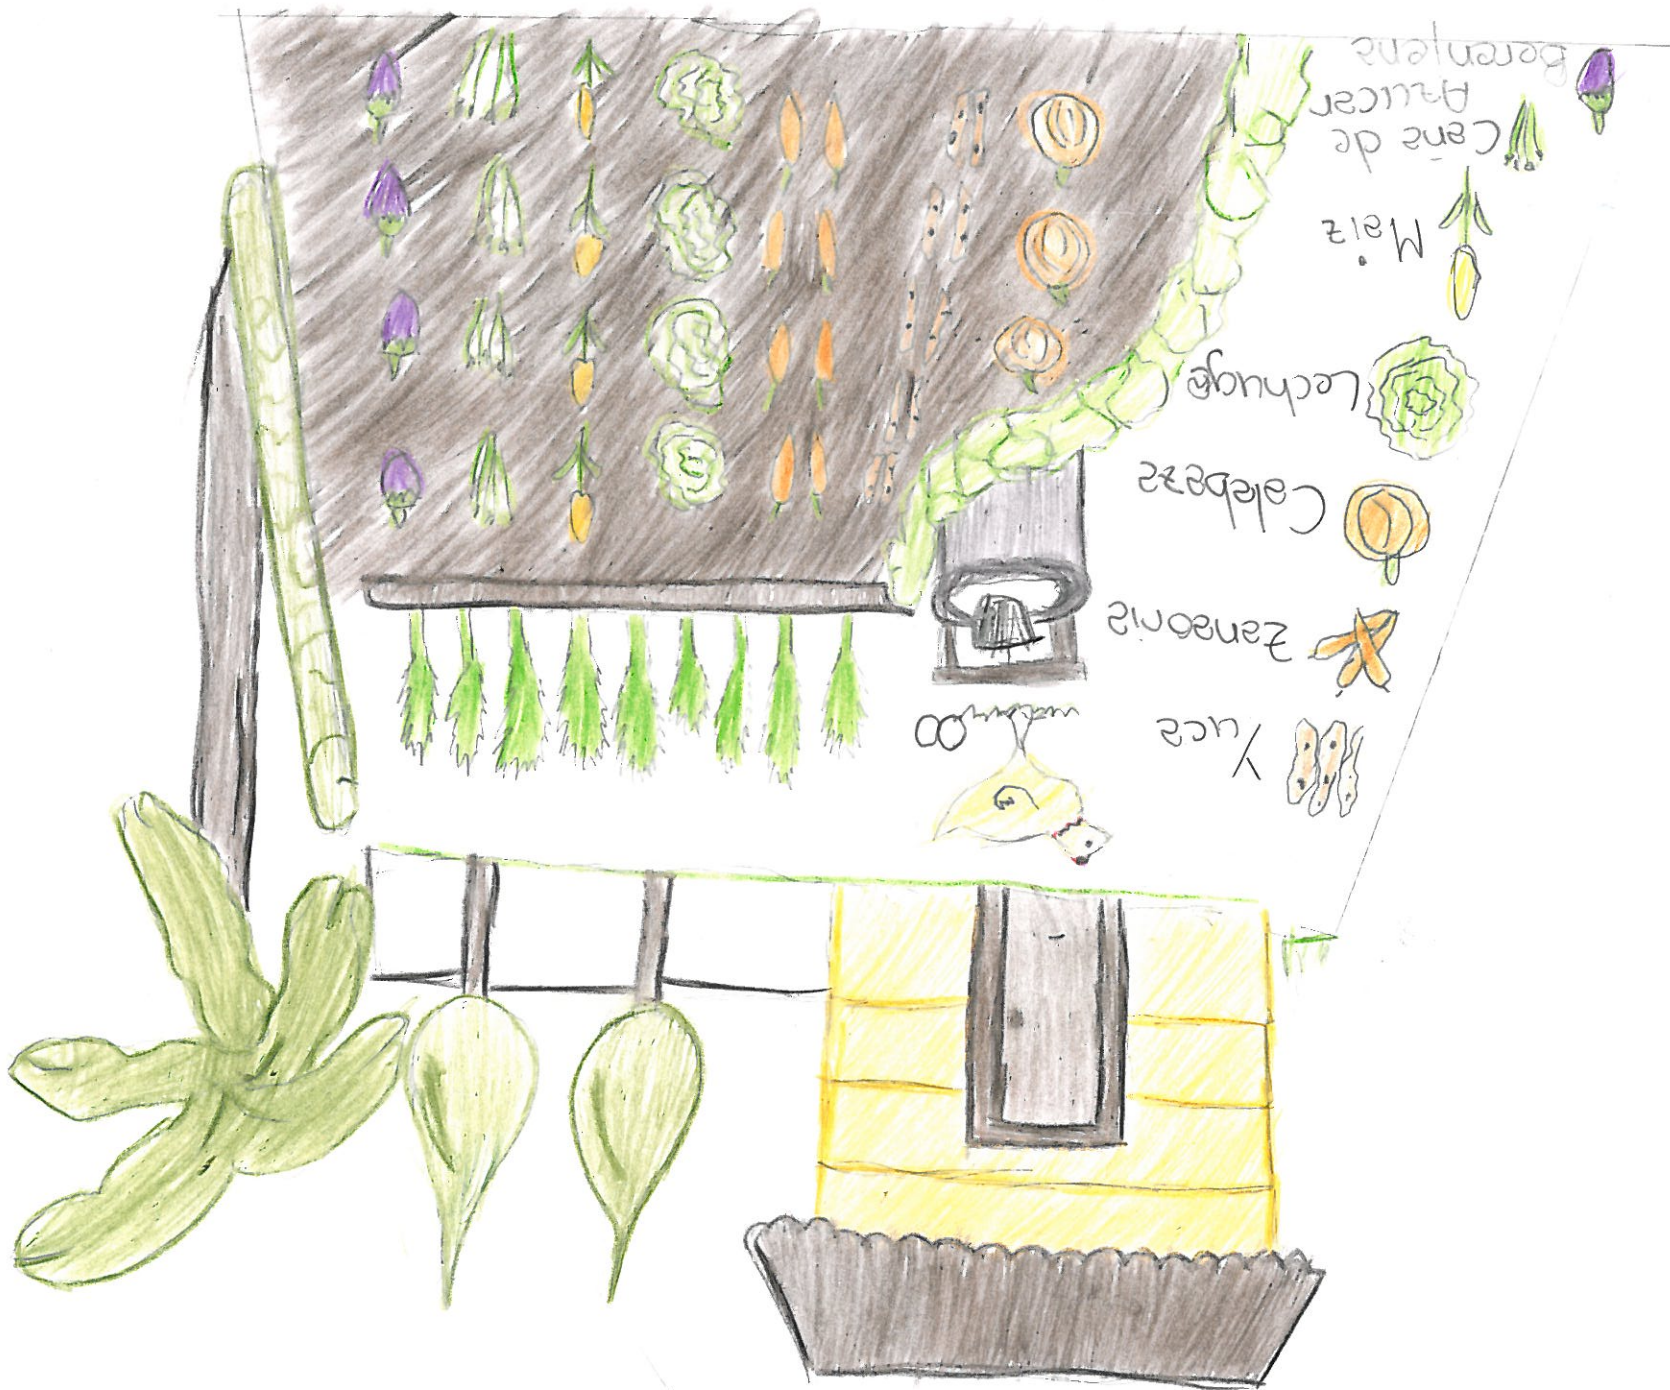

Natara Landeira

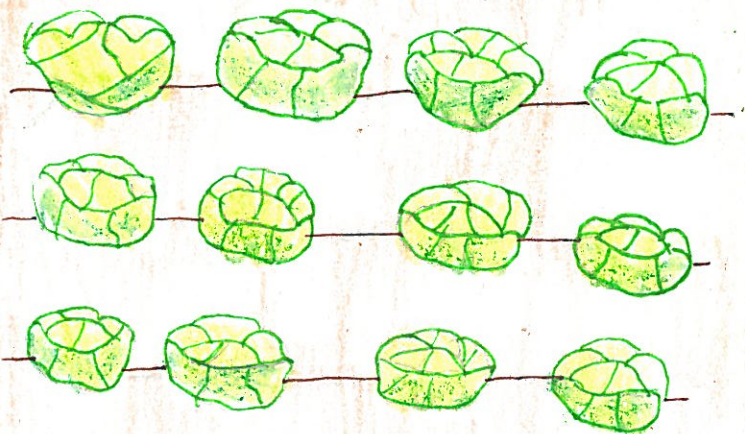

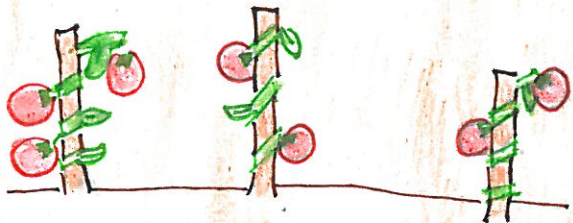

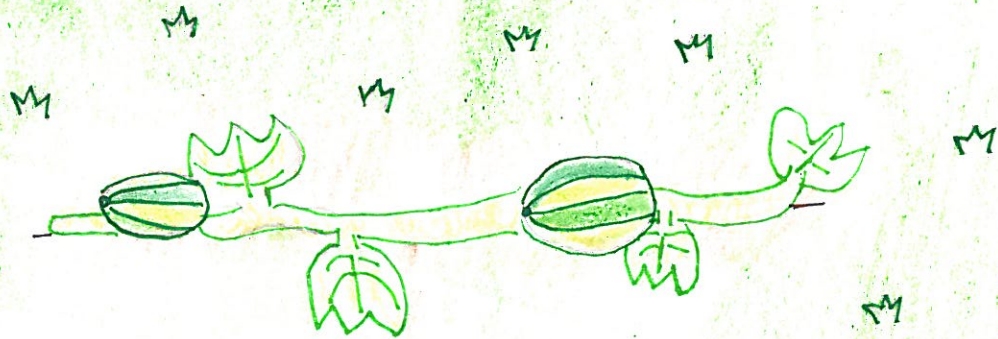

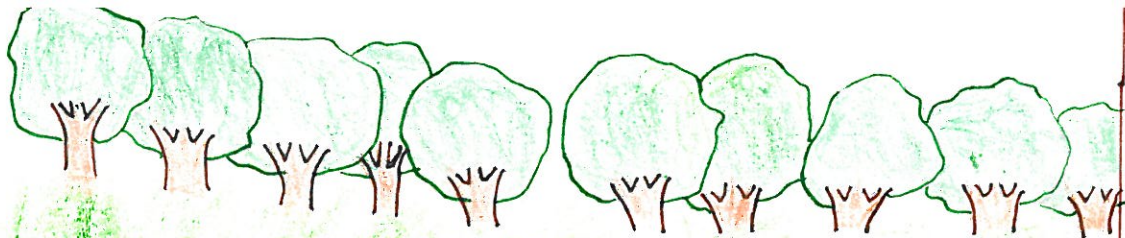

"Cuidala agricultura familiar es el futuro"

La agricultura familiar. Cultivamos para comer.

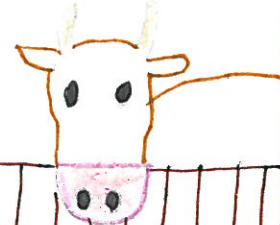

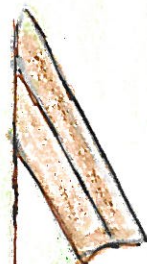

LINDA

RUBIA

MORITA

A agricultura familiar
unha fonte de vida.
