The game board consists of three rows of boxes connected by a path. The path starts at a sign labeled 'SALIDA' and ends at a sign labeled 'META'. The path is marked with fish carrying math operations:

- Row 1: Starts with a box containing '20'. A fish with '+ 10' leads to an empty box. A fish with '+ 20' leads to an empty box. A fish with '- 40' leads to an empty box. A fish with '- 5' leads to an empty box.
- Row 2: A fish with '- 8' leads to an empty box. A fish with '- 50' leads to an empty box. A fish with '+ 30' leads to an empty box. A fish with 'x 6' leads to an empty box.
- Row 3: A fish with '+ 6' leads to an empty box. A fish with '- 18' leads to an empty box. A fish with 'x 10' leads to an empty box.

Decorative elements include seaweed on the left and a fish on the right.
