

A group of young children are sitting on a large white sheet of paper spread on a wooden floor in a classroom. They are engaged in a painting activity, using various colors like blue, green, and red. The room is decorated with educational posters, including one with the letters 'D E F G' and another with 'MATE'. A red ladybug-shaped container is visible on the left. The children are wearing casual clothing, and the overall atmosphere is one of active learning and creativity.
