Make your own MOUSE HERO mask!

1. Colour in your mask. Your mouse can be any colour you like!
2. Cut carefully around the head, ears and head band, following the black dotted lines (do not cut the grey fold lines).
3. Fold along the grey fold lines on each ear (if you just fold halfway down the ears they will stick up nicely).
4. Carefully cut out the eye holes.
5. Stick the ears in place using sticky tape.

Using sticky tape, stick one end of the head band to the mask. Put the mask in place. Wrap the other end of the band around the back of the wearer's head until it fits snugly, and then stick on the other side. Cut off any extra.

Your MOUSE HERO mask is ready to wear!
