

I Love And Rock And Roll

The Arrows

I saw her dancing there by the record machine
I knew she must have been about 17
The beat was going strong,
Playing my favorite song
And i could tell it wouldn't be long till she was with me
Yeah with me
And i could tell it wouldn't be long till she was with me
Yeah with me

Singin' i love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take some time and dance with me
She smiled so i got up and asked for her name
But that don't matter she said cuz it's all the same
I said can i take ya home, where we can be alone
And next we're moving on and she was with me
Yeah me
And next we're moving on and she was with me
Yeah me

Singin' i love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come on take some time and dance with me
Dance baby,

I said can i take ya home where we can be alone
Next we're moving on and she was with me
Yeah me
And we'll be moving on and singing that same old song
Yeah with me

(chorus 3x)
