Subject: My summer holiday!

Hello Anne! How are you? I'm in a hotel in Italy with my mum, dad and my brother Tom. I'm very happy because it's sunny and hot.

I love the hotel! It's very big and I have got a big TV in my room! I watch TV at night.

In the morning, I have breakfast at eight o'clock. I have toasts and milk for breakfast.

At half past nine, I visit to the museums but I can't run or sing there! Ssshhh!!! Silence!

At eleven o'clock I go with Tom to the park near the hotel. We can play hike and seek and draw pictures of the animals in the park!

At half past two we go to the restaurant. I have lasagne and pasta for lunch. I don't like broccoli ice-cream!

In the afternoon, at five o'clock I like swimming in the pool at the hotel. Tom doesn't like swimming because he can't swim. He likes reading upside-down!

At half past nine at night, I have chicken and pizza for dinner. Mum likes cheese and ham sandwich. Dad prefers vegetables and fruit. Tom doesn't like pizza, he loves tacos. And we all love chocolate ice-creams! Yummy!

Love, Lucy
