

4° A/ B

HELLO!! HOW ARE YOU?

We are all looking forward to going back to school...

I'm sure there is less left and we will see each other soon.

I am very proud of all you and I am happy to receive all the work that you are doing,  
**YOU ARE THE BEST!!!**

Let's review some concepts that we have already seen in English.

Here are some interactive games so that you don't forget the numbers.

Como estades?

Estamos todos desexendo volver ó cole. Seguro que xa queda menos e axiña nos poderemos ver.

Estou moi orgullosa de vos é moi contenta de recibir todo o traballo que estades facendo,

**SODES OS MELLORES!!!**

Imos reparar algúns conceptos que xa vimos en Inglés:

\*Aquí tedes uns xogos interactivos para que non se vos olviden os números.

INTERACTIVE BOOK NUMBERS

NUMBERS from 0 to 100

Podedes ir pasando as páxinas e facer todas as que precisedes.

Para poder traballar con este enlace tedes que permitir o Adobe Flash Player

The screenshot shows a web browser window displaying an interactive book interface. The browser's address bar shows the URL: <http://chagall-col.spip.ac-rouen.fr/IMG/didapages/numbers/index.html>. The interface is split into two pages, 10 and 11, with a pink background. Page 10 is titled "Match!" and contains a grid of numbers (14, 18, 15, 10, 17, 12, 16, 13, 19, 11) and a list of words (eighteen, eleven, fifteen, fourteen, nineteen, seventeen, sixteen, ten, thirteen, twelve). Page 11 is titled "Listen and Match!" and contains a grid of empty boxes for audio playback and a list of numbers (17, 13, 15, 12, 18, 19, 10, 11, 16, 14). Both pages have "Check", "Comments", and "Score" buttons at the bottom.
