Este é Paco

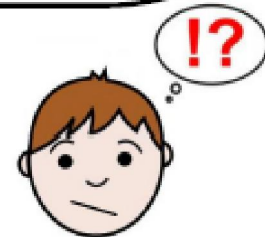

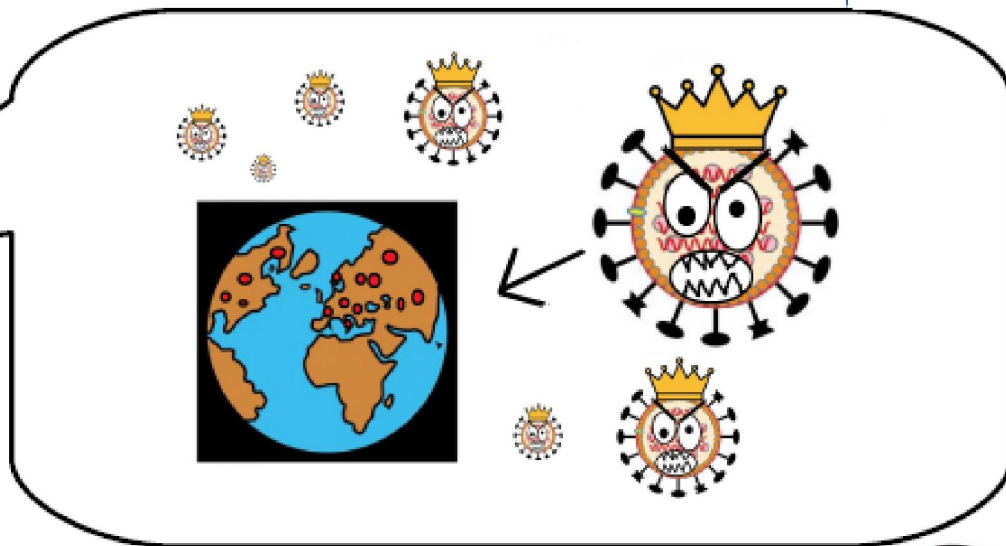

Paco vai ao CEP Sequelo de Marín

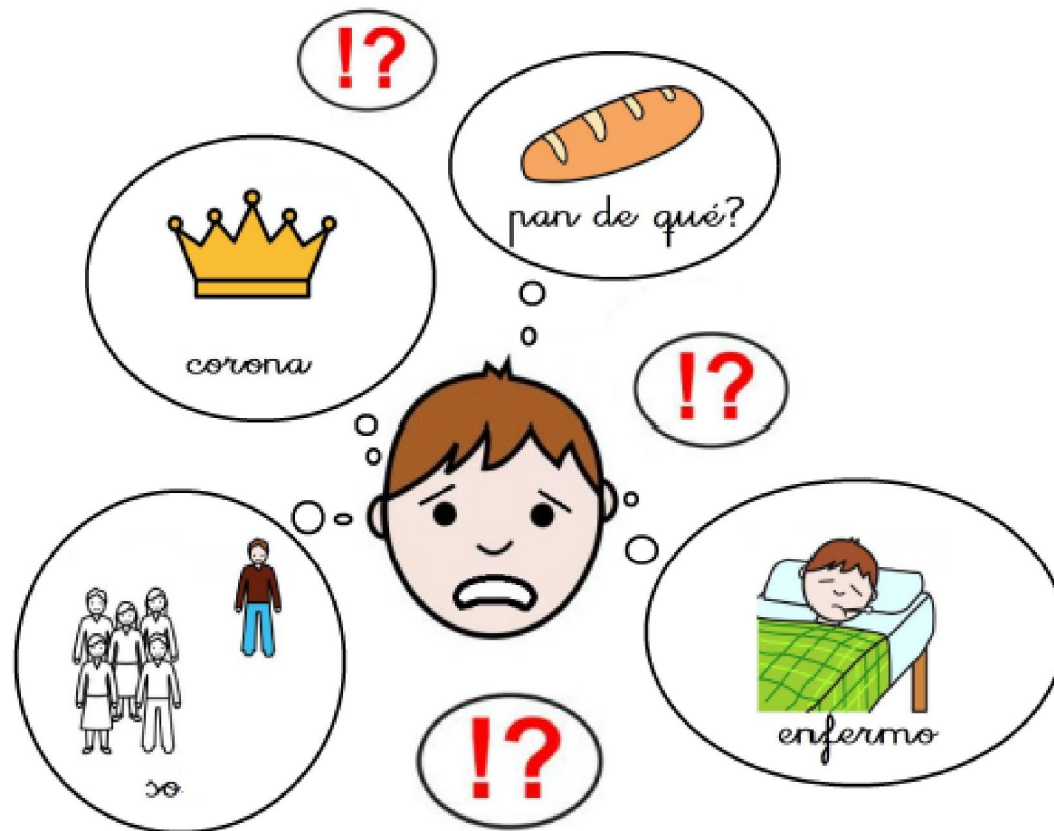

A profe díxolle o pasado venres a Paco, que non pode volver ao cole nun tempo

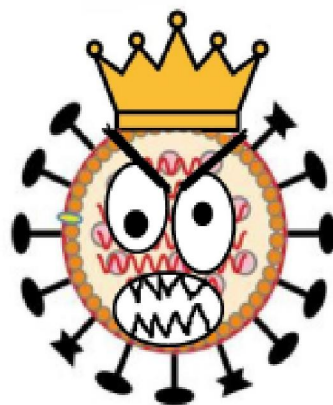

Porque hai unha pandemia mundial e chegou a Galicia o coronavirus

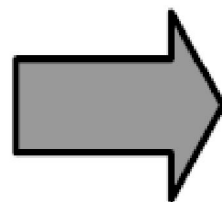

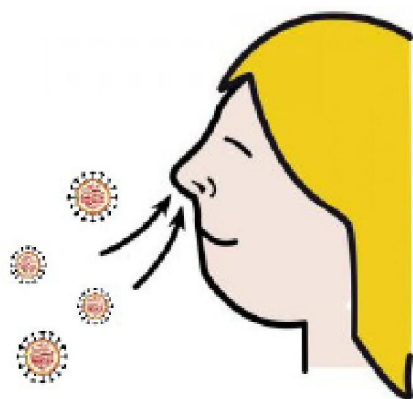

Paco non entende nada e ten moito medo

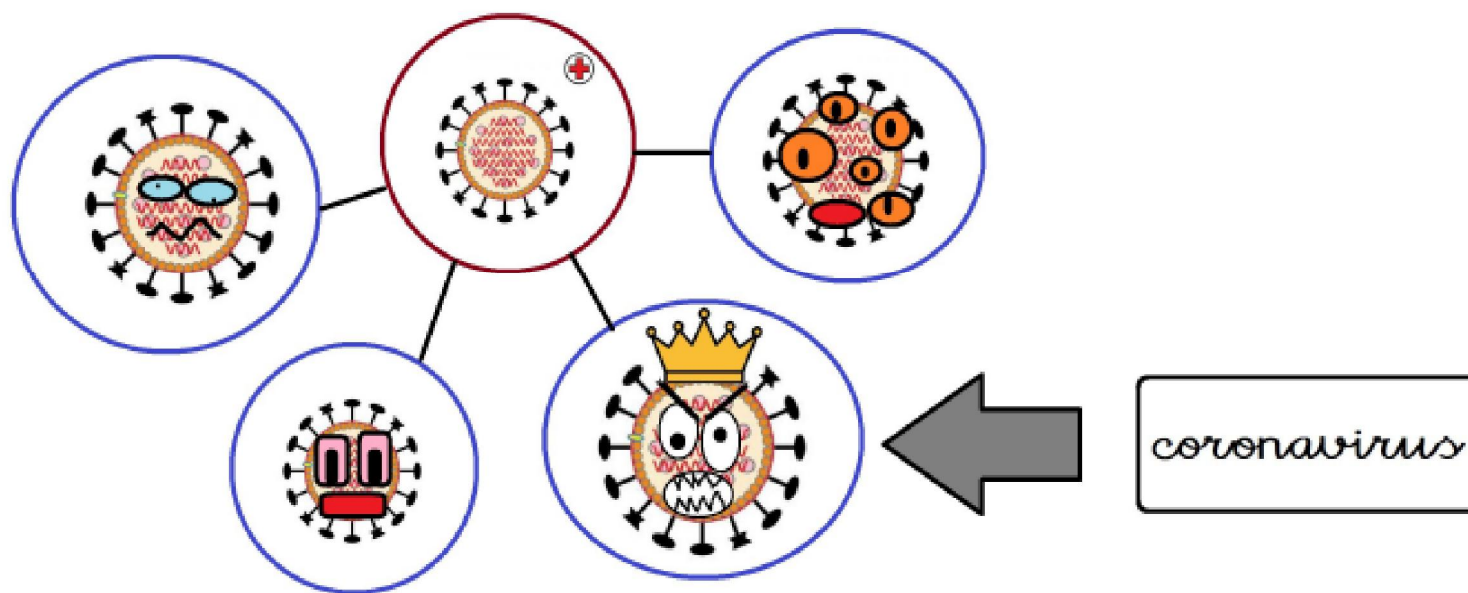

Tranquilo Paco, voucho explicar pouco a pouco

Cando os virus entran no noso corpo, enfermamos

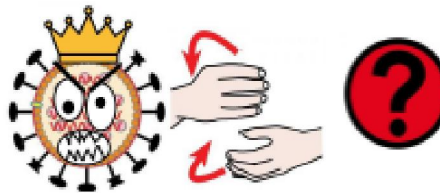

Hai moitos tipos de virus, un deles é o coronavirus

Temos febre

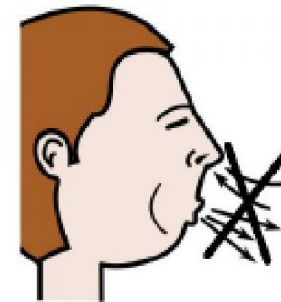

Que fai o
Coronavirus?

Estamos cansos

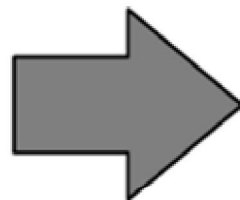

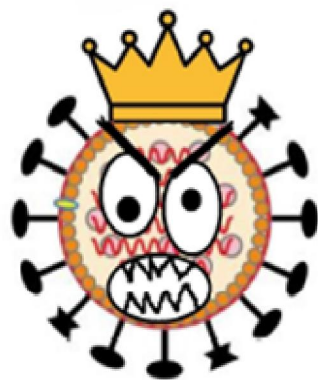

Temos tos

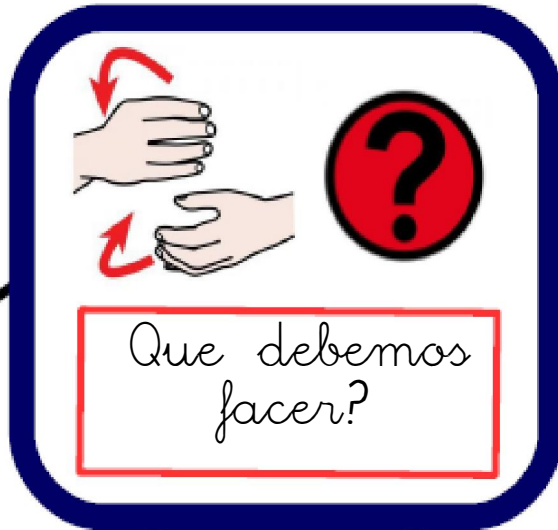

Fáltanos o aire

Temos que coidarnos e ficar na casa para que non veña

Propoñémosvos un xogo:

“Manter Lonxe ao Coronavirus”

Cada membro da familia terá o seu taboleiro, o obxectivo:

MANTELO lonxe, moi lonxe.

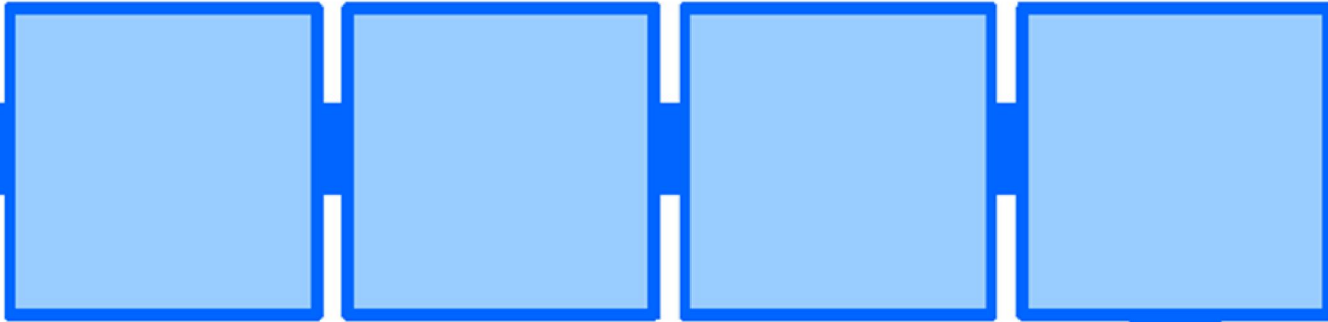

Como?

Cumprindo as medidas que nos recomendan as autoridades sanitarias. Cada vez que fagamos unha das cousas recomendadas, poñeremos a ficha no noso taboleiro, e o coronavirus pasará a seguinte casilla, ata expulsalo fóra do taboleiro!!, o que o consiga levará un premio (cada familia poderá agasallar co que considere aos gañadores)

XOGAMOS?
