This Charter entitles the Institution to apply to its National Agency for a Grant Support for Erasmus Activities.

To comply with the objectives on non-discrimination set out in the Lifelong Learning Programme:

- To publicize this Charter and the related Erasmus Policy Statement of the Institution;
- To promote and give visibility to the activities supported by the Erasmus Programme;
- To ensure that a credit transfer system gives transparency to the recognition procedures;
- To ensure the highest quality in the organization of student placements;

The Institution also agrees:

- To comply with the following fundamental principles of Erasmus mobility:
  - Full recognition shall be given to students for satisfactorily completed activities specified in the Erasmus agreements and the agreements whereby the placements are carried out;
  - Mobility shall be restricted only within prior inter-institutional agreements between the institutions;
