THE THREE LITTLE PIGS

Once upon a time, there were three little pigs.

The first Little pig built his house of straw, the second little pig built his house of sticks and the third little pig built his house of bricks.

Along came the Big Bad Wolf. Little pig, little pig, let me in! No, no, no, not by the hair of my chinny, chin, chin. I'll huff and I'll puff and I'll blow your house down! And the house came down.

The little pig went running to his brother's house made of sticks. Along came the Big Bad Wolf. Little pig, little pig, let me in! No, no, no, not by the hair of my chinny, chin, chin. I'll huff and I'll puff and I'll blow your house down! And the house came down.

The little pigs went running to their brother's house made of bricks. Little pig, little pig, let me in! No, no, no, not by the hair of my chinny, chin, chin. I'll huff and I'll puff and I'll blow your house down! But the house didn't come down.

The Big Bad Wolf had an idea. He climbed up the house and went down the chimney and into a big pot of hot water! And...OWOWOW the wolf never came back and the three little pigs lived happily ever after! The end.
