FUNDING

Our courses are eligible for Erasmus+ KA1 funding. For more information contact your National Agency.

Innovative teacher training.
ABOUT US

The Escola Oficial de Idiomas de Santiago de Compostela is a dynamic organisation devoted to the teaching of foreign languages to adults. Since its foundation in 2001, our institution has become a leading national and international referent thanks to a devoted team, always concerned about their permanent professional development. Our staff boasts broad training and experience in the field of foreign languages and teaching strategies. All this added to our great enthusiasm has led us to be on the cutting edge of teacher training.

OUR COURSES

SOCIAL-EMOTIONAL LEARNING (SEL) AND THE 4 C’S

Language: English

Some of the top skills for 2020 include complex problem solving, critical thinking, creativity, emotional intelligence and negotiation. Schools and teachers need to focus their efforts on providing society with the education that will answer those demands.

LINGUISTIC MEDIATION

Language: Spanish

A course to become familiar with the concept of mediation and its application in the field of foreign language learning. Participants will focus on the concept of mediation and its legal framework, mediation strategies, as well as the elaboration of tasks to practise different types of mediation at different levels and their corresponding assessment through the use of specific rubrics and evaluation activities.
