

The Curse of the Oud

Once upon a time there was a forest with magical pumpkins that changed in form, and an Eagle Owl was their king. It had dark brown feathers and an aggressive look. His name was Harald. He controlled everything with violence and death.

One rainy night Harald and his creatures went to war, when they discovered a magical portal. Harald was near the portal and was pushed. He fell in front of a creature he didn't know, inside a moving car. It was terrifying.

Harald doesn't understand that he has arrived on Earth, a wild and dangerous place for him.
