I STAY AT SCHOOL FOR FIVE  
HOURS, FROM 8.15 TO 1.15.

I GET HOME AT 1.30 AND I HAVE MY MIDDAY MEAL. "PRANZO" IS OUR BIGGEST MEAL OF THE DAY. WE USUALLY HAVE PASTA ( I LOVE SPAGHETTI WITH TOMATO SAUCE), MEAT OR FISH, SALAD OR CHIPS, BREAD AND FRUIT. OUR EVENING MEAL IS A LIGHT MEAL. WE USUALLY HAVE PIZZA OR A SANDWICH, SOMETIMES I HAVE EGGS AND VEGETABLES.

# ONE DAY IN THE LIFE OF A GERMAN STUDENT

6 o' clock in the morning... too early!

Lalalalala...  
I always sing under  
the shower.  
Lalalalala...

Now I take a  
shower  
before I go  
to school.

Mmhhhh - my  
breakfast is  
delicious.

6.15 am in the  
bathroom

I often eat  
cornflakes  
with milk and honey  
in the morning.

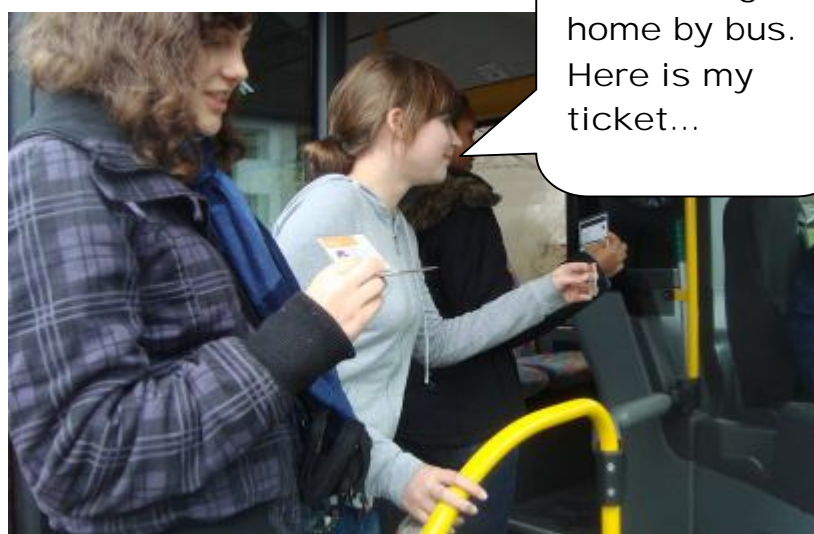

At 7.30 am school starts...

My friends and me always talk about teachers and classmates. The breaks are very interesting... ;-)

9.05 am in the Cafeteria

12.45 pm at the bus stop

Most students go to school by bus or by bike.

Mmhhh -  
what a  
delicious  
soup!

At 1 pm I have lunch.  
I'm so tired today...  
school can be very  
exhausting sometimes.

If there's no school in  
the afternoon, we have  
to do some homework...

I must do my  
homework  
now... ☹ ☹ ☹

1.30 pm in my room

Shopping  
is so  
fantastic!

If only I had more  
money...  
How about this  
wonderful dress?  
Wouldn't it be nice?  
But unfortunately you  
can't always get what you  
want.

4.30 pm in a boutique

I usually have dinner with my sisters and my parents.

In the evening  
I watch a little  
bit TV and eat  
some snacks...

7 pm in the living room

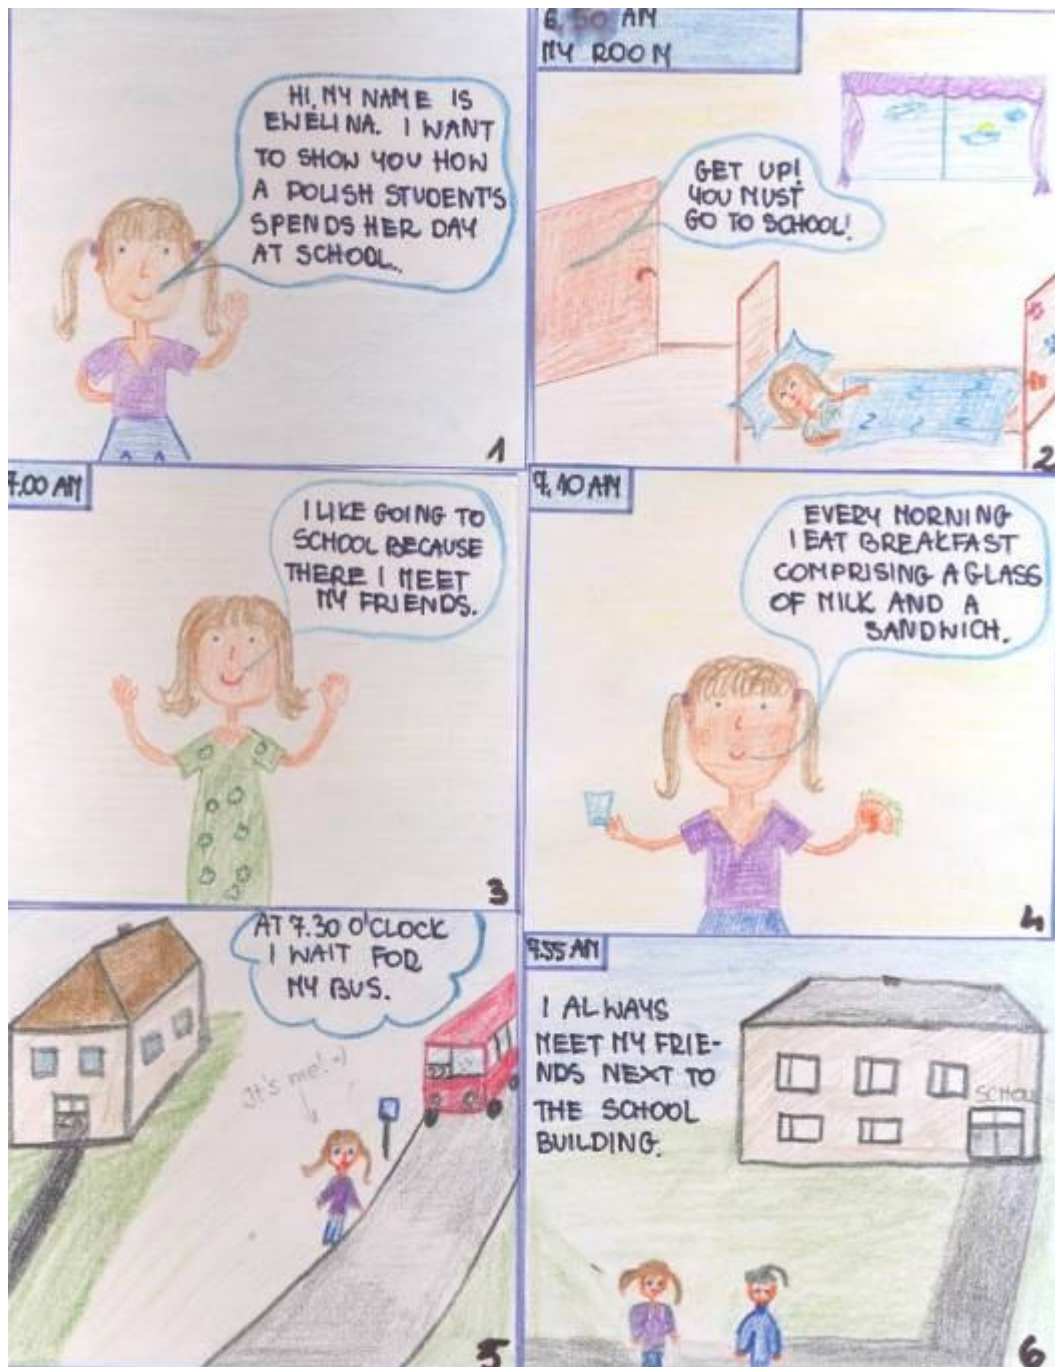

Zzhh...zz

ONE DAY  
IN THE LIFE  
OF A SPANISH  
STUDENT

Time to wake up. God, I think 7:30 is too early! If I could sleep, at least, until 10 o'clock... it'd be perfect! But there's no choice, and I finally get up at half past seven... (I prefer that, rather than hear my mother shouting at me so early!)

Every morning I have a big problem. What should I wear?

Finally, I chose a simple white T-shirt and a pair of jeans.

Breakfast. That you see in the picture, is my breakfast. That's all I eat until I go back home, at 14:30. Sometimes, it's not enough, and my stomach begins to make horrible noises in the middle of the class. God, how much I hate it!

I have to brush my teeth every morning to keep my shiny and beautiful smile!

How late the bus is today... IT'S too early and COLD outside!! Could you resist it every day?

At half past eight, we're already at school. I'm not going to say I don't like school, because I do, I really do! But... sometimes I get bored doing all the week the same. Anyway... it's not too bad, though. I'm with my friends, and what's more, there are some subjects and teachers I love.

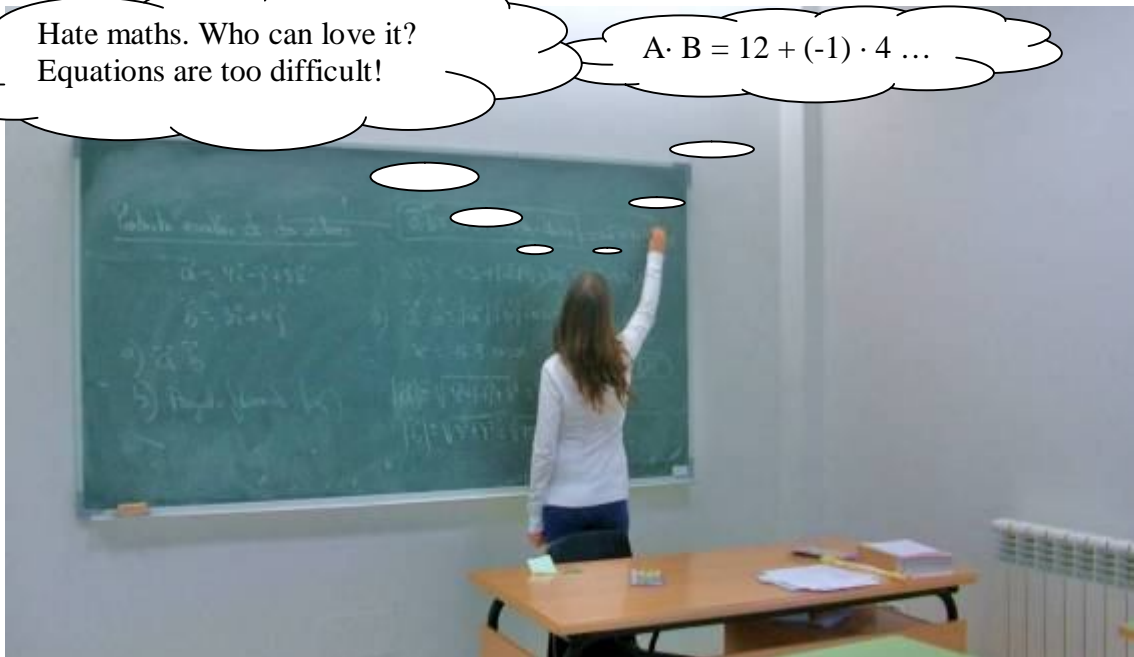

I do not understand this, can you explain it to me, dear Giselle? Thanks. Love you, girl.

Hate maths. Who can love it?  
Equations are too difficult!

$$A \cdot B = 12 + (-1) \cdot 4 \dots$$

Break, at last! Our favourite moment in the morning! Around this time, we are already hungry so we take something at the cafeteria.

After satisfying our horrible  
hunger, we begin to gossip about  
the teachers...

Then, lessons again. Some of them are funny  
and cool. Other ones are... boring. In this  
picture, we were at music class, this is one of  
the best ones, but if you could hear us playing  
instruments... we sound horrible! LOL.

Finally, we go back home at 14:10. God, at this time, we're really tired and... hungry! The only thing I want to do is arriving home and EAT! Just eat.

Have to prepare a salad. This horrible onion makes me cry!

Eating with my family. It's time to tell about our daily routine. We always have funny things to tell. We can't help laughing.
