

INTEGRACIÓN EN ESCOLAS

PIALE CANADÁ 2023

Pilar Calvo Adega IES As Mariñas

ONTARIO

PIALE INTEGRACIÓN. CANADÁ

Este programa está destinado para a mellora da competencia lingüística e comunicativa e a actualización metodolóxica en lingua estranxeira do profesorado.

Consiste en integrarse na vida escolar nun centro educativo de Canadá, no meu caso en Toronto.

Education System in Ontario

The Canadian education system is **divided into four stages:**

1. Kindergarten or Early Childhood Education:

- programs for children aged 0-4 years.
- Junior kindergarten (3-4) is not mandatory.
- Senior kindergarten (5-6) is mandatory.

2. Elementary School:

- Grade 1-6 : elementary or
- Primary school (ages 6-11)

3. Secondary School:

- Middle School : Grade 7-8: (ages 12-13)
- High School : Secondary education is from Grade 9 to Grade 12. (ages 14-17)

4. Post-Secondary Education:

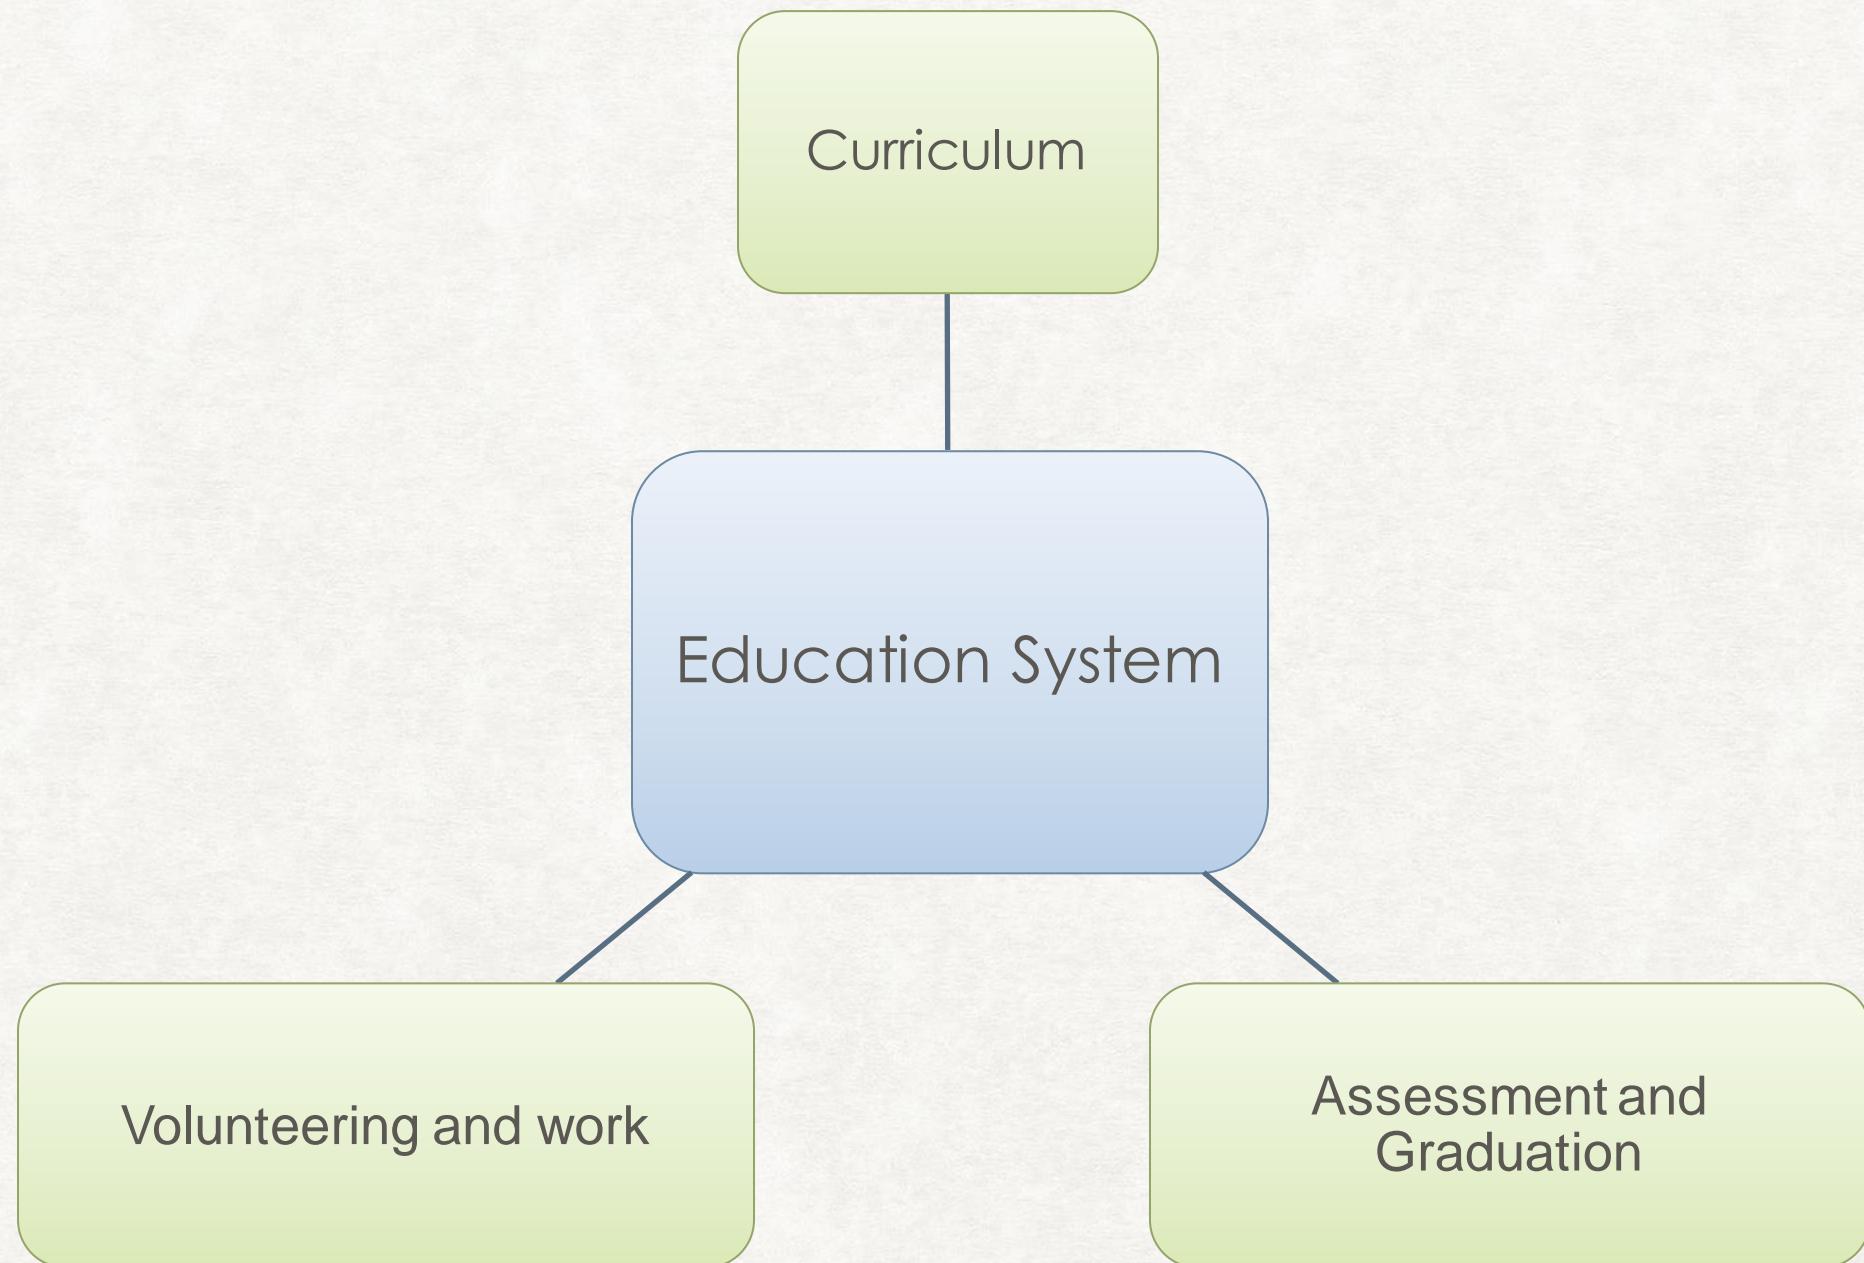

This includes colleges, universities, and private career colleges.

- Universities in Ontario are known for their quality and diversity of programs.
- Colleges offer diploma and certificate programs, focusing on practical, job-oriented education.

Language of Instruction:

The primary language of instruction in Ontario schools is English. However, there are also French-language schools for Francophone communities

Education System in Ontario

Education System in Ontario

- The curriculum in Ontario is based on a set of guidelines and standards **established by the Ministry of Education.**

- It covers various subjects, including English, mathematics, science, social studies, physical education, and the arts.

- From grade 3 to 9, it is mandatory to study French.
From grade 10 on, there are more choices of subjects.
Students can pick up their subjects and teachers, but the final schedule is emailed to them at the end of September.

Curriculum

Education System in Ontario

- In grade 9, it is compulsory to become a volunteer. You have to donate time to any unpaid job or charity. You have to accumulate about 180 hours during high school.
- By grade 11, you have spares and you can start working and it is very common to have a retail or restaurant part-time job

Volunteering and work

Education System in Ontario

Students are assessed throughout their school years, with standardized tests in key subjects.

- **Grades 3,6,9 : Exams to test general knowledge.**
Schools with the lowest scores get more funds to try to solve the problem.
- In high school, students work toward an Ontario Secondary School Diploma (OSSD), **which requires the completion of certain compulsory and elective courses.**
- **To enter university, students can apply for three universities , which will take into account the scores of their previous years.**

SYSTEMS**

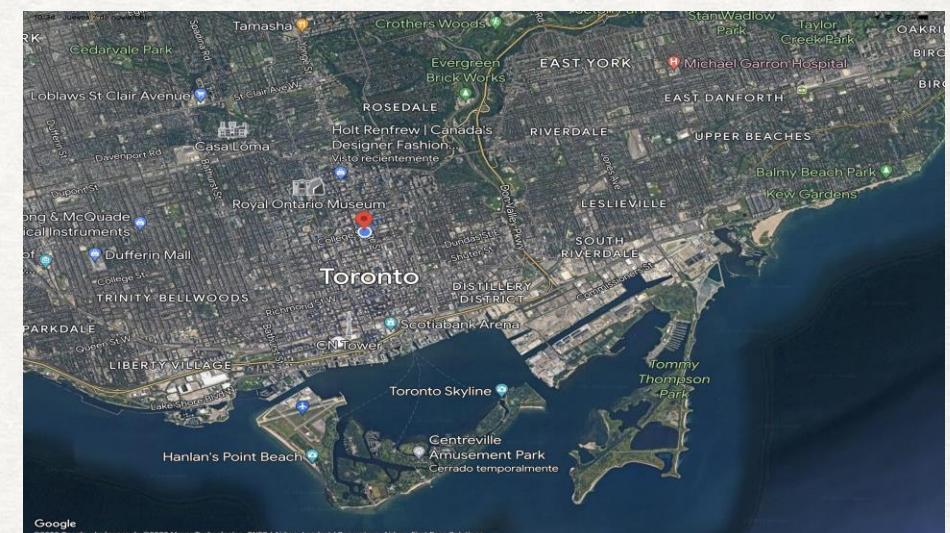

The Language Gallery, escola privada ubicada no centro de Toronto , é membro da Global University System, rede internacional de 37 institucións de educación superior públicas e privadas.

Oferta educativa

- Programas de aprendizaxe de inglés como lingua estranxeira
- Programas *Pathway*

Niveis e duración dos cursos

- 6 niveis de lingua inglesa
- Cursos de 8 semanas que dan comezo os luns, cada dúas semanas

THE LANGUAGE GALLERY CANADA

- ❖ As universidades ou colleges que aceptan os Pathway teñen convenios. Outras, só aceptan os exames IELTS, TOEFL ou similares.
- ❖ A vía educativa é unha das formas más viables para emigrar a Canadá, dado que permite a solicitude dun permiso de traballo ao rematar os estudos.

Esta é a motivación principal do alumnado observado.
