

A student comes to a young professor's office hours. She glances down the hall, closes his door, and kneels pleadingly. "I would do anything to pass this exam."

She leans closer to him, flips back her hair, gazes meaningfully into his eyes. "I mean," she whispers, "I would do anything."

He returns her gaze. "Anything?"

"Anything."

His voice turns to a whisper. "Would you... study?"

Think You Are Smart

Four high school boys afflicted with spring fever skipped morning classes. After lunch they reported to the teacher that they had a flat tire.

Much to their relief she smiled and said, "Well, you missed a test today so take seats apart from one another and take out a piece of paper."

Still smiling, she waited for them to sit down. Then she said: "First Question: Which tire was flat?"

Stand Up If You Think You Are Stupid

A new teacher tries to make use of her psychology courses.

The first day of class, she starts by saying, "Everyone who thinks they're stupid, stand up!"

After a few seconds, Little Johnny stands up.

The teacher asks, "Do you think you're stupid, Johnny?"

"No, ma'am, but I hate to see you standing there all by yourself."
