

My dear students,

I hope you and your family are still alright and healthy.

I think it is the time to give you the answers to the work you have been doing (unit 5).

From now on, you will be working only through your Interactive book, so I can see what you are doing. We will start revising unit 1. And I will be posting some other activities from time to time.

You can register here [LINK INTERACTIVE](#).

It is very important that you use our Class Code, here it goes again: **63ED5**

SOME GOOD ADVICE:

<https://www.bbc.co.uk/news/world-52376726>

Take care,
Mónica
