**DAVID'S BLOG: My Favourite Day**

My favourite day of the week is Saturday. On Saturdays, I get up at eight o'clock and I go to the computer. I play computer games for three hours. At eleven o'clock, my brother gets up. He uses the computer and I listen to music and send text messages. At twelve o'clock, we go to my grandparents' house and have lunch with them. In the afternoon, we usually go swimming. Saturday is always a great day!
