

## BRAZIL

Brazil is a beautiful and huge country. The most popular city is Rio de Janeiro. Happiness rules the streets. There, the weather is always sunny and you can visit everything without worrying about the rain. Therefore, you should bring shorts and summer clothes, which are necessary if you don't want to suffocate.

There you can eat eat panquecas, feijón and salads, which are the typical food. You can enjoy going to the beach and eating ice creams all year round. You can also drink smoothies.

If you go in February, you can see carnival parades or even dance samba. Another popular celebration is the "Olympic Games", which are going to be held this year.

To sum up, Brazil is a beautiful country where you can do lots of things.
