

Are you looking for fun and beautiful places? Come to Santiago! Here, you can visit Santiago Cathedral, A Cidade da Cultura... The Cathedral is the most visited building in Santiago, there you can see the Apostle's tomb. You can also stroll in the park next to old town if you enjoy green spaces.

The typical food here is octopus, meat, *filloas*... (they are similar to French crêpes or American pancakes but in Galicia they are usually eaten with just a little bit of sugar on them). The typical drinks are milk, beer, wine... The weather is cold and rainy so you must bring warm clothes.

The shopping centres are big and they have a lot of different shops. The most popular mall is "As Cancelas". It is also cheap.

COME TO SANTIAGO! YOU WON'T REGRET IT!
