

Activities for Pulp
Common people

A. *Listen to the song and underline the incorrect words. There are 20.*

She came from Italy she had a thirst for knowledge
She studied maths at St Martin's college
That's where I...
Caught her eye
She told me that her dad was rich
I said "In that case I'll have rum and coca-cola."
She said "Fine,"...
And then in 20 seconds time she said

"I want to live like common people
I want to do whatever common people do
I want to sleep with common people
I want to sleep with common people like you."

Oh what else could I do?
I said "I'll see what I can do."

I took her to a grocery shop
I don't know why, but I had to start it somewhere
So it started... there
I said "Pretend you've got no cash."
But she just laughed and said "Oh you're so funny."
I said "Yeah?"
Well I can't see anyone else laughing in here

Are you sure you want to live like common people
You want to see whatever common people see
You want to sleep with common people
You want to sleep with common people like me?"
But she didn't... understand
She just smiled and held my hand

Rent an apartment above a shop
Cut your hair and get a job
Smoke some cigarettes and play football
Pretend you never went to school
But still you'll never get it right
'cos when you're laid in bed in the evening
Watching roaches climb the wall
If you called your dad he could stop it all yeah

You'll never live like common people

You'll never do what ever common people do
You'll never think like common people
You'll never watch your life slide out of view

And then dance, and sing, and screw
Because there's nothing else to do

Sing along with the common people
Sing along and it might just get you through
Laugh along with the common people
Laugh along even though they're laughing at you
And the stupid things that you do
Because you think that poor is cool.

Like a dog lying on the floor
They will bite you and never warn you
Look out.

They'll tear your insides out
'cos everybody hates a stranger
Especially one who thinks it's all such a laugh
Yeah and the chip stain and grease will come out in the bath

You will never understand
How it feels to live your life
With no sense or control
And with nowhere left to go
You are amazed that they exist
And they burn so bright whilst you can only wonder why.
Rent an apartment above a shop
Cut your hair and get a job
Smoke some cigarettes and play football
Pretend you never went to school
But still you'll never get it right
'cos when you're laid in bed in the evening
Watching... roaches climb the wall
If you called your Dad he could stop it all, Yeah.

Never live like common people
Never do what common people do
Never fail like common people
Never watch your life... slide out of view

And then dance, and song... and screw
Because there's nothing else to do

I want to live with common people like you.
