

St Valentine's day

Valentine's Day or **Saint Valentine's Day** is a holiday celebrated on February 14th. In Monforte, it is the traditional day on which lovers express their love for each other by sending Valentine's cards, presenting flowers, or offering confectionery. In fact, this sort of things like flowers, for example, are more expensive than in other time of the year.

However, people buy them because they want to give a present to their girlfriend, boyfriend, husband, wife or whatever. Despite being on February, a month that isn't very famous in Spain, St Valentine's Day is really important.

At school, students prepare different kinds of postcards or things like that to give to their parents, although they aren't their girlfriend or boyfriend. Then, in many shops, they just sell St Valentine's Day products, like red teddy bears, love postcards...

This day, the most usual sentence is: "I love you".
