

Let's create a dog

- **Materials**

A square paper of the color you want

Black marker

- **Steps**

1. First, fold the paper in half with two ends together.
2. Then fold again in half, but only to mark the center.
3. Fold the two horizontal tips to form the ears.
4. Finally, fold the remaining point upward to form the snout.
5. Paint the eyes and the tip of the muzzle as a nose.
