

Ola familias.

Dende a área de Educación Física gustaríame que se aproveitaran estes días para traballar a motricidade fina. Por iso elaborei este pequeno conto para imprimir e crear cos vosos fillos. No oco das fotografías habería que elaboralo coas cremalleiras, fío...

Isto é unha idea para que vós o vaiades adaptando e á volta poder compartilos.

Seguramente creades cousas maravilosas!

Grazas pola vosa colaboración e desfrutade con el@s.
