

## MOBILITY TO SPAIN

During the 3rd to the 7th we have a mobility in our city Ferrol.

It was very interesting and a great experience for us.

The first day we received all the group with the Rondalla  
“Añoranzas”

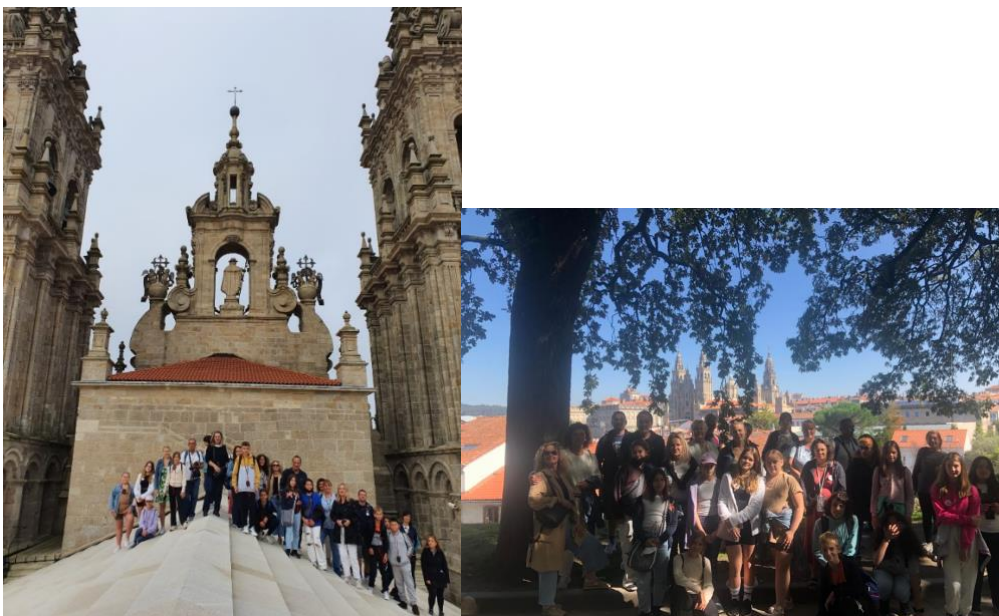

They sang songs about Ferrol, the streets of Ferrol and about  
“Las pepitas”. It is a tradition in our city, the evening before Saint  
Joseph, different Rondallas groups walking through the town  
singing, especially to the Ferrol woman. This day is called  
Pepitas´ day ( Pepita is the nickname of Josephine)

After that, we did a gymkhana games to know our school. The  
students of different classes had prepared some games to teach  
to our guests.

The second day we visited Santiago de Compostela. The roofs of the Cathedral, El Pórtico de la Gloria and then a tour around the city.

On Wednesday we took a boat ride along the Ferrol estuary and visited San Felipe Castle.

Then we did a Meninas' workshop in the school library. We made Meninas' shaped wooden keychains.

On Thursday we started the day making a tour by the Arsenal

And to gain strength we had a chocolate with “churros”

Then we visited Exponav, which is a shipbuilding museum.

In the afternoon we visited the teacher training centre (CFR) where the teachers learned about the Spanish educational system and the students had the opportunity to play with robots.

On Wednesday they worked with the students of 6<sup>th</sup> grade making a bag of Ferrol.

For the farewell, the 5<sup>th</sup> grade students danced a Muiñeira accompanied by a Galician music group.

Great experience for us!
