Online safety

Making friends online

We can go online in lots of different places. You can use your smartphone inside or outside, and take your laptop to a café. You can talk to your friends from school or friends from a different country. But it's really important to be careful when you use the internet. Here are five rules to help you stay safe online.

- 1 Always use passwords.
- 2 Never tell anyone else your passwords.
- 3 Never put personal information online, like your email address or your phone number.
- 4 Don't meet anyone you talk to online.
- 5 Tell your mum or dad if you're worried about anything.

6 Complete the online rules with *must* or *mustn't*.

- 1 You mustn't meet anyone you talk to online.
- 2 You must use passwords to log on.
- 3 You must tell your parents if you're worried.
- 4 You mustn't give your phone number to anyone online.
- 5 You mustn't tell people your passwords.
