

# PASATIEMPOS DE LECTOESCRITURA

**JOSÉ MIGUEL DE LA ROSA SÁNCHEZ**

Las actividades propuestas son pasatiempos de sopa de letras, cruzadas y ordenar palabras, en las que la solución se obtiene a partir de gráficos. Estas actividades permiten trabajar, mediante el juego, las palabras usuales que los alumnos/as van aprendiendo en clase.

Una de las principales características de estas actividades es que todas las palabras se forman con las letras que se han estudiado previamente, por ello en la primera ficha tan sólo aparecen palabras con "L" y las vocales, en la siguiente ficha las palabras se forman con la "L", "M" y vocales, y así sucesivamente.

Igualmente el número de gráficos y complejidad (muy básica) va aumentando progresivamente, sin embargo en la sopa de letras, todas la palabra se buscan en horizontal y vertical en sentido de la lectura, no incluyendo en diagonal ni inversas.

Los juegos siguen el orden de las siguientes letras:

L, M, S, P,T,N,D, H, C (ca, co, cu), Q, Ch, G (Ga, Go, Gu), G ( Gue, Gui), F, R, J, C (ce, ci), B, Ñ, Y, Z, RR, LI,V, G (Ge, Gi), X, K, Gu (Güe, Güi) y W.

Las imágenes usadas son todas Creative Commons y muchas de ellas de la página de ARASAAC ([www.catedu.es/arasaac/](http://www.catedu.es/arasaac/)). Elaboradas por Sergio Palao para CATEDU con la colaboración de los profesionales del CPEE Alborada (Zaragoza) y la financiación del Departamento de Ciencia, Tecnología y Universidad del Gobierno de Aragón. Los pictogramas contenidos en este catálogo se distribuyen bajo licencia de Creative Commons (BY-NC-SA).
