2 Read. Circle the best title.

Technology inside and outside Online safety Making friends online

We can go online in lots of different places. You can use your smartphone inside or outside, and take your laptop to a café. You can talk to your friends from school or friends from a different country. But it's really important to be careful when you use the internet. Here are five rules to help you stay safe online.

- Always use passwords.
- Never tell anyone else your passwords.
- Never put personal information online, like your email address or your phone number.
- Don't meet anyone you talk to online.
- Tell your mum or dad if you're worried about anything.

3 Complete the online rules with *must* or *mustn't*.

- You _____ meet anyone you talk to online.
- You _____ use passwords to log on.
- You _____ tell your parents if you're worried.
- You _____ give your phone number to anyone online.
- You _____ tell people your passwords.
