

# Mary Blair

**Mary Blair** was born in 1911 and spent most of her life in California.

She started working for Disney in 1940.

Mary worked on many animated films including Cinderella, Peter Pan, and Dumbo.

She also designed attractions for Dinseyland.

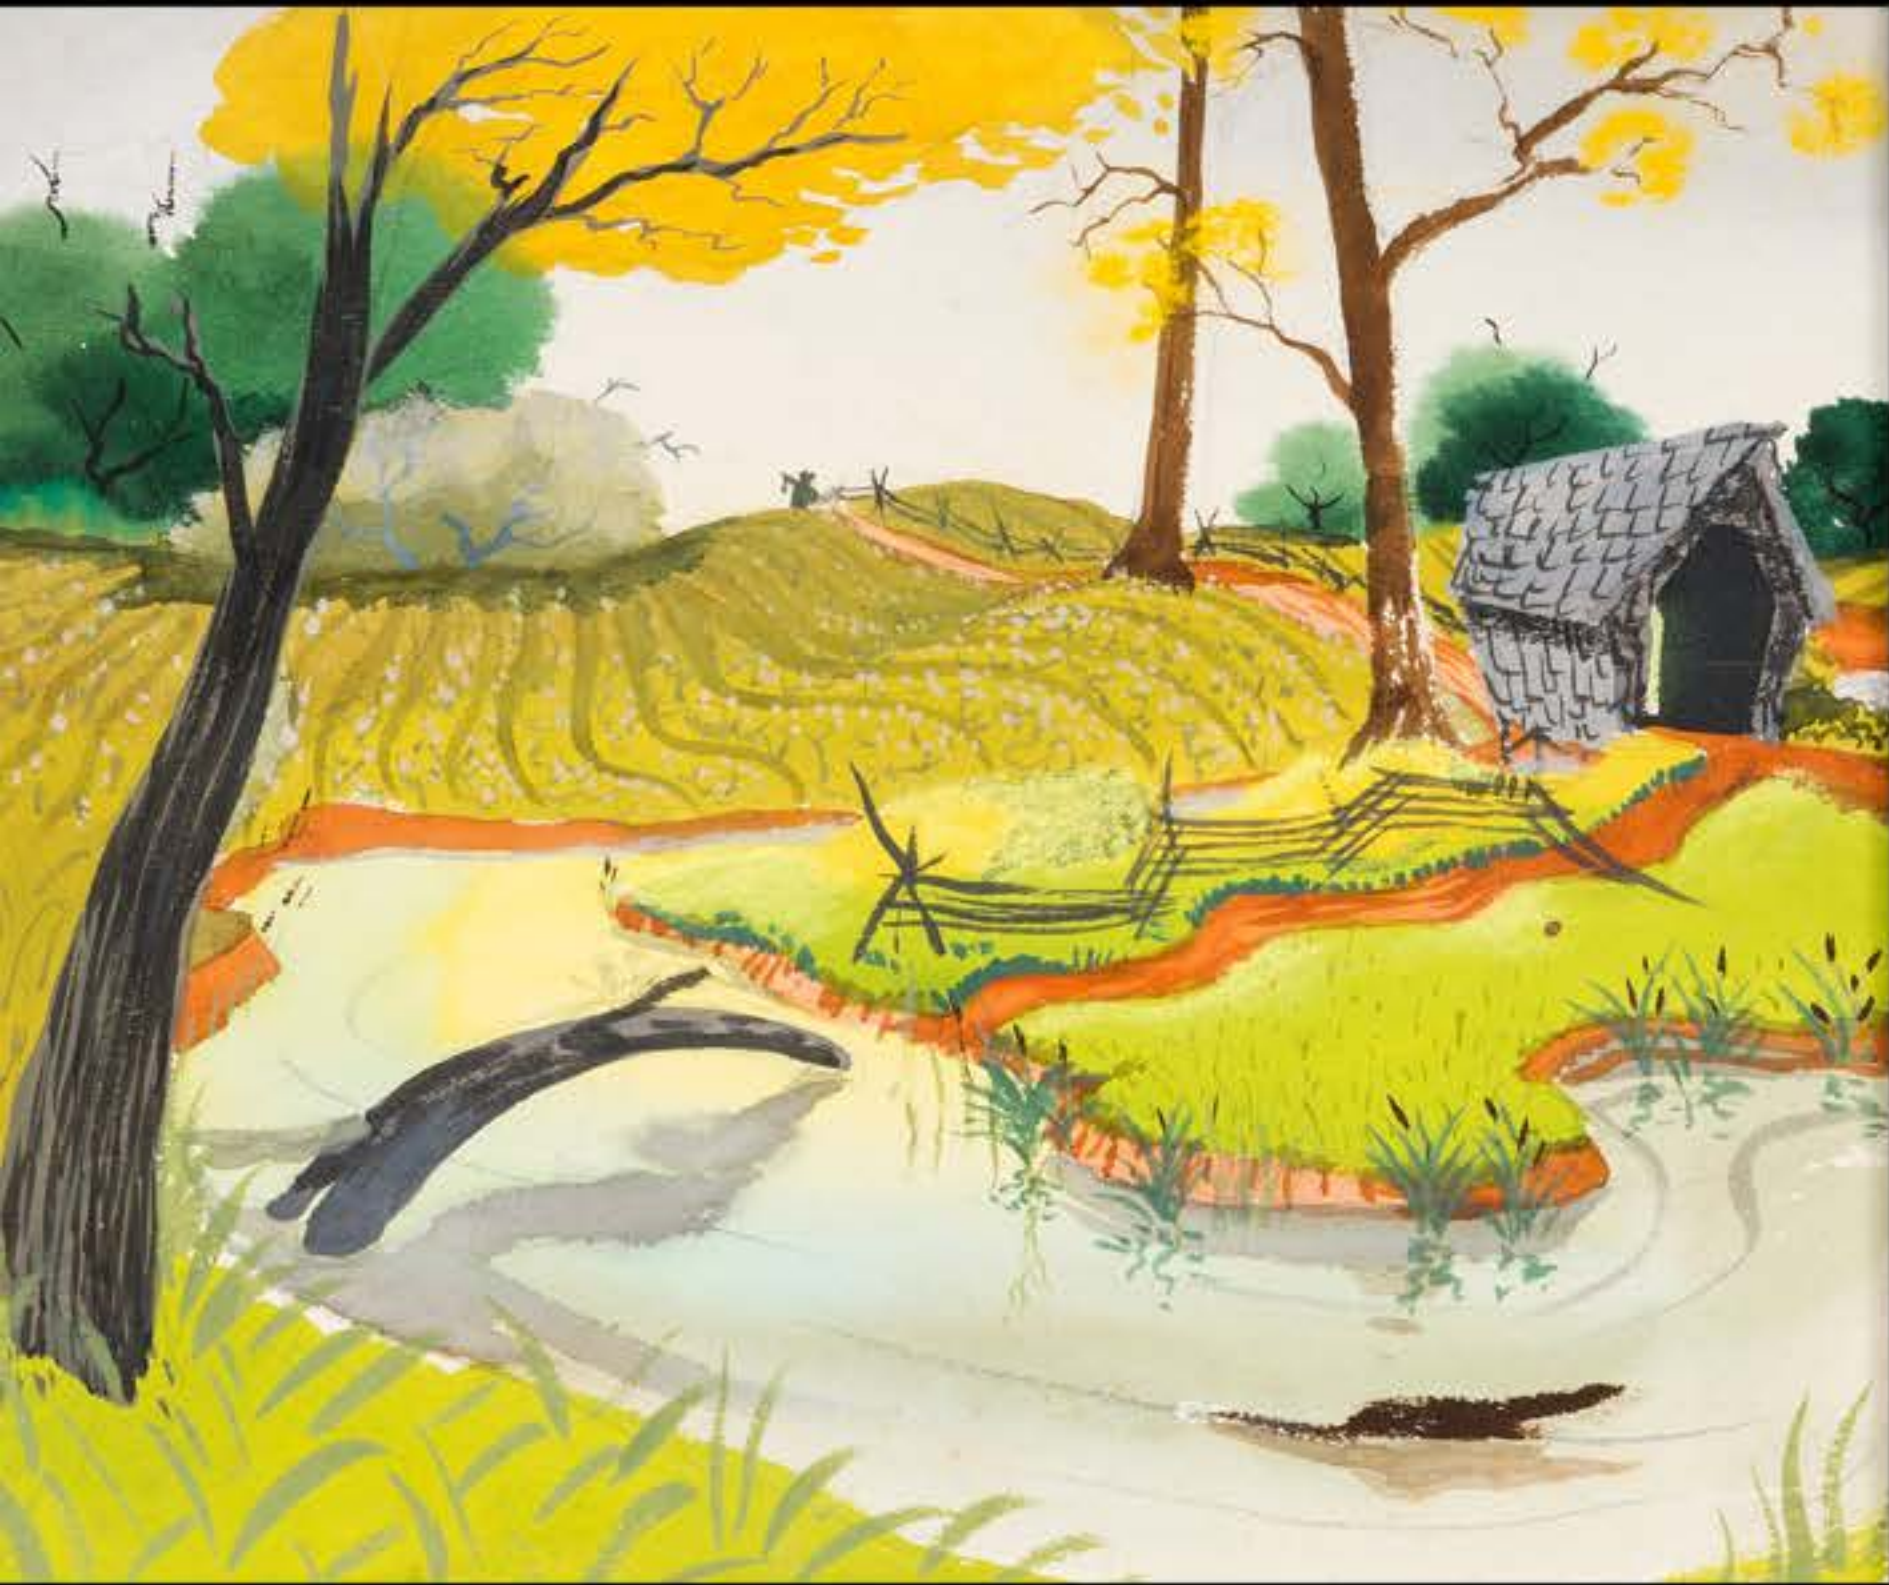

Mary had a unique style that many people thought was too abstract and too colorful.

She was determined and fought for her ideas.

Eventually, Mary became very successful and made children's books, advertisements, and murals.
