

Polos Creativos - Robótica

admin — Lun, 29/04/2024 - 22:40

Despois da sesión de formación sobre robótica, poñemos en práctica o aprendido, deseñando e levando ás aulas actividades que traballen o pensamento computacional. Primeiro con actividades vivenciais e logo progresando en dificultade. Todo relacionado sempre co proxecto de "Julio Verne" e os contidos dos currículum.
