Last weekend, I went to Madrid with my family. The weather was great: it was sunny and hot.

On Friday morning, we went to the Prado Museum. It was very interesting. I liked it. Then, we had lunch in a restaurant, next to the amusement park.

The afternoon was exciting in the amusement park. It was very, very fun. I loved it.

On Saturday morning, we went to the zoo. It was fantastic! I love animals. Monkeys are my favourite. They are so fun....

After lunch, we went to the Royal Palace. It's an enormous and beautiful palace!

This weekend was very exciting and fun. When we arrived, we were very tired, but very happy, too.
