ANDREA'S FAVOURITE MOVIE

Title: Return of the Jedi

Type of film: Science fiction/ Adventure

Starring: Mark Hamill, Harrison Ford, Carrie Fisher

Director: Richard Marquand

Year: 1983

Country: United States of America (USA)

Luke Skywalker fights Jabba the Hutt and Darth Vader to save his friends and the whole galaxy from the dark side.

This is an excellent science fiction film. The story is super exciting and full of adventure.

My favourite character is Leia, because she is strong and independent. I also love ewoks, they are really funny and cute.
