Page 45 Student's Book, exercise 5:

**5** Answer the questions. Type the answers.

-  1. Where is the History of Houses exhibition?
-  2. Why is there a hole in the roof of the Turkish house?
-  3. Where are the bedrooms in the Ancient Greek house?

**New Exhibition:  
The History of Houses**

This is a model of a house from Ancient Greece. The kitchen, a bathroom and the living room are on the ground floor. The first floor has got bedrooms and another big room. The women are eating on the first floor. They aren't eating with the men because women and men don't eat together.

Show first answer Hide all answers

4. Why has the Ancient Greek house got two dining rooms?

Because men and women don't eat together.

5. What is unusual about the floors in the Egyptian house?

They have got beautiful pictures on them.

**Now, you will have to work on the following exercises:**

Student's Book, page 47, exercises 7,8 (Present Simple/ Present Continuous)

Student's Book, page 49, (Reading) and exercises 5,6

Workbook, page 35, exercises 6,9

Please, send me your answers to the following email address: [marta.varela@edu.xunta.es](mailto:marta.varela@edu.xunta.es)

(Enviadme las respuestas a la dirección de correo indicada)

NOTE: Os escribo en español para que se pueda entender.

Es MUY importante que durante este período de tiempo no dejéis de trabajar para no olvidamos de los conocimientos adquiridos hasta ahora. Esta situación es nueva para todos, y requiere un esfuerzo por parte de todos. Confío en vosotros y en que seáis responsables con vuestro trabajo, puesto que SIEMPRE es por vuestro bien el poder seguir trabajando y reforzando el aprendizaje. Por mi parte, ante cualquier duda, ya sabéis que podeis poneros en contacto conmigo de la manera que os sea más cómoda. No hace falta deciros que teneis los medios para hacerlo, a través de los canales que todos conocemos.

POR ULTIMO: NO sabeis lo que OS ECHO DE MENOS. Espero que esteis todos bien por casa y que pronto, prontito, podamos vernos de nuevo.

OS QUIERO!!!!

Marta
