Rookie Magazine

Some teenagers do incredible things. Teenager Tavi Gevinson has got an online magazine called *Rookie* and over one million teenagers read it!

On the *Rookie* website, teenagers read articles, listen to music and watch videos. Teenagers also write questions on the website and celebrities answer the questions. A team of adults work for the magazine, but Tavi usually makes the final decisions. She works very hard. She can't always meet friends or play computer games like other teenagers. Sometimes, she can't even go to school. But Tavi usually does homework and school projects. Luckily, her teachers understand. Some of Tavi's teachers read *Rookie* magazine, too!

Hola chic@ss!

Estos son los últimos ejercicios que os voy a mandar. El viernes día 3 de Abril os mandaré todas las correcciones que tenemos pendientes, tanto a nivel personal como en general. Os dejo la Semana Santa libre, porque vamos a estar de vacaciones.

Espero que hayais trabajado mucho, pues os recuerdo que aún no estamos de vacaciones.

Muchos me habeis preguntado cómo van a ser las notas si nosotros no hicimos ningún examen (ya que estaban previstos para las semanas que entramos en cuarentena). Pues básicamente, puntuaré sobre los trabajos expuestos a los que os haya dado tiempo a exponer, comportamiento en clase, trabajo en clase, ejercicios, participación, etc. Por eso siempre os digo que es muy importante ser activos en clase, porque TODO CUENTA, y más en este momento, que no habíamos hecho ningún examen. Creo que más o menos podeis imaginar la nota según lo que hayais trabajado o como os hayais portado. Procuraré ser lo más justa posible (aunque ya sabéis que lo hago siempre).

Recordaros que tenemos una tercera evaluación de la que aún no sabemos cómo va a ser. Si me refiero a la tercera evaluación, es porque sabéis que inglés es evaluación continua, es decir, que a final de curso entrará todo lo que hayamos visto hasta el momento del examen final, y que si aprobais la tercera evaluación, tendreis el curso aprobado en mi asignatura. Así que, animaros y deciros que aún no es tarde, pero que teneis que ser constantes y darle caña, para poder dejar aprobada la asignatura de cara al verano. La constancia y el esfuerzo SIEMPRE tienen recompensa, os lo aseguro.

Como os decía en otros envíos, espero que esteis todos muy bien, y que por casa vuestra familia esté también sana. Ya queda menos para vernos las caras.... y seguro que me llevo alguna sorpresa: alguno de vosotros habrá crecido!!! Queridos míos, no sabeis lo que os echo de menos... estoy deseando volver a la rutina de siempre y poder reírme con vosotros.

Os quiero!!!

Marta
