Workbook, reading page 21:

Rookie Magazine

Some teenagers do incredible things. Teenager Tavi Gevinson has got an online magazine called *Rookie* and over one million teenagers read it!

On the *Rookie* website, teenagers read articles, listen to music and watch videos. Teenagers also write questions on the website and celebrities answer the questions.

A team of adults work for the magazine, but Tavi usually makes the final decisions. She works very hard. She can't always meet friends or play computer games like other teenagers. Sometimes, she can't even go to school.

But Tavi usually does homework and school projects. Luckily, her teachers understand. Some of Tavi's teachers read *Rookie* magazine, too!

Hola chic@s, cómo vais?

Yo por aquí ahí voy, lo mejor de la rutina diaria es recibir vuestros correos, mensas por Insta y la cita de las 8 en el balcón a aplaudir y a oír la música que pone un vecino del edificio de enfrente... y así van pasando los días.

Con respecto al desarrollo de lo que queda de curso, por favor, os pediría que NO HAGAIS caso a las informaciones que vienen por varios medios, porque hay que contrastarlas primero. La Ministra de Educación ha salido a desmentir varias veces cosas que se han dicho (que se acabó el curso, que continuaremos en julio...). Todas falsas. Sólo puedo deciros que están estudiando las medidas a tomar, y tan pronto sepamos algo os lo comunicaremos, por lo que os ruego que por favor esperéis noticias nuestras porque serán las que realmente tendréis fiables 100%.

Dada la situación, que nos ha cogido a todos desprevenidos, ya veis que cada día hay que improvisar nuevas medidas a nuevos problemas que se van planteando. Yo también estoy pendiente de lo que puedan decir de mis oposiciones, y si entro en Facebook dicen una cosa, si oigo la tele otra cosa y así con todo. NO HAGO CASO DE NADA, hasta que finalmente tenga noticias REALES de lo que pueda pasar. Haced vosotros lo mismo, por favor.

Por mi parte nada más. Solo que sigais trabajando, enviándome las cosañas y yo os las iré mandando corregidas poco a poco. También seguiré mandando las correcciones según vayan pasando los días. Don't panic!

¿Tengo que recordaros lo mucho que OS QUIERO? Y LO MUCHO QUE OS ECHO DE MENOS...
