NOTE: Chic@s, cómo lo lleváis? Echáis de menos el cole? Yo creo que sí, por lo menos yo sí lo echo de menos.

No hace falta que os recuerde que teneis que seguir trabajando para no perder el ritmo, y que vuestros trabajos y ejercicios me los enviéis por mail a la dirección que os indico arriba. Me podeis mandar unas fotos, como ya hizo un compañero vuestro, o si quereis un documento de Word especificando los ejercicios, etc. Os lo dejo a vuestra elección, pero por favor, que se vea clarito para poder corregirlos.

No estoy recibiendo nada, me da la sensación de que no estais trabajando mucho... y eso no puede ser! Aquí tenemos que tirar todos del carro, para poder seguir adelante. Pensad que esta situación que estamos viviendo, el día de mañana saldrá en los libros de Historia y vosotros habréis sido protagonistas importantes!!! Pero hay que seguir dando caña, hincando los codos, que los conocimientos no llegan por ciencia infusa.

Animaros, una vez más, a que sigais trabajando, que lo que hacemos nosotros es para que adquirais los conocimientos que posiblemente necesiteis en el futuro.

Os deseo una plácida reclusión, que hay tiempo para todo.

OS QUIERO!!!!

Marta
