Hola chicos!

Qué tal estais? Cómo lo llevais? Parece ser que tenemos que estar en casa hasta después de Semana Santa. Pero eso no es excusa para no trabajar cada día un poquito más. HAY tiempo para todo!

Yo por ejemplo, procuro trabajar por las mañanas (aunque a veces por las tardes también), luego descanso, estudio y hago ejercicio físico. Es muy importante hacer ejercicio físico también, puesto que nos va a ayudar a centrarnos a la hora de hacer los deberes (tienes otra energía) y también a movernos un poco, porque sino estamos todo el día sin movernos, y eso tampoco es bueno.

Os recomiendo hacer un planning diario con las cosas a hacer, igual que procuro hacer yo. Así vereis que teneis tiempo para hacer de todo y no os quedará nada pendiente.

Un último aviso: NECESITO QUE MODIFIQUEIS la dirección de correo electrónico que os envié los días pasados. La que os facilité tiene poco espacio, y he creado una nueva cuenta, esta vez en gmail:

martamende2020@gmail.com

Por favor, a partir de ahora, ENVIADME TODO A ESTA NUEVA DIRECCIÓN.

Como siempre, deciros que os cuideis, que salgais lo menos posible de casa porque ésta es la única manera de que todo pase lo antes posible y vernos muy pronto. Porque no se vosotros... pero yo ... OS ECHO MUCHÍSIMO DE MENOS!

Os

quiero!

Marta
