PATACA

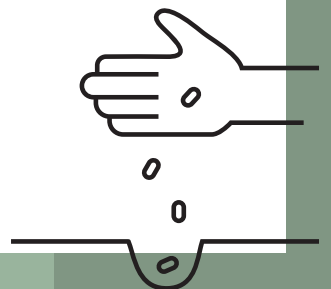

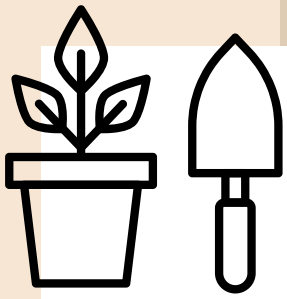

P

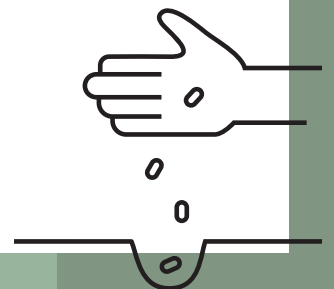

PEMENTO

VERDURA

Este dicionario foi elaborado grazas á participación do alumnado do C.F.A A Picaraña do curso 2021-2022 e ás súas familias, coa finalidade de nomear as distintas acepcións para as accións e elementos que atopamos na horta e na súa contorna.

Publicouse o 17 de maio de 2022, día das Letras galegas.
