

# CONSELLOS

Este caderno contén **35 fichas** seleccionadas para o teu fill@, que teñen por finalidade reforzar e afianzar os obxetivos acadados ata agora. A continuación detallo unha serie de consellos que poden ser útiles para a realización destas tarefas:

1º.- Ofrece estas actividades no posible, **durante** as primeiras horas **da mañá** ou despois da siesta. O teu fillo/a estará máis despexado e atento e tamén menos canso.

2º.- Non é recomendable que faga máis de **2 fichas por día**. Entre unha e outra debe haber polo menos, **2 horas de separación**.

3º.- Segundo a **ficha** que toque facer, ésta debería ir **precedida**, na medida do posible, **de xogos** previos ou actividades manipulativas relacionadas: ler un abecedario, buscar unha letra determinada nun conto, facer palmas para saber cantas sílabas ten unha palabra, averiguar o nº de letras dunha palabra dada, pensar palabras que empecen por un sonido determinado, deletrear unha palabra, ...

4º.- Presta atención á **postura do teu fillo/a na cadeira**, á forma de coller o lapis ou o rotulador e a posición da outra man (ten que sobre a folla ou o libro evitando que se mova).

5º.- Agrupa as fichas cunha grampa, encuadernador ou algún sistema que lle permita ter na man a totalidade do caderno, para poder pasar as páxinas e buscar a folla que vai a realizar nese intre.

6º.- Ofrécelle a actividade **seguinto o orden** en que están no documento de descarga. Siguen un orden pedagóxico.

7º.- **Cada ficha** vai acompañada dunhas **instrucións** precisas e ordenadas que deberían seguir.

8º.- Sempre que poidas permite que o teu fillo/a utilice **diferentes materiais**: lapis, rotuladores grosos, ceras duras grosas, ceras tipo manley, acuarelas, pintura de dedos, ...

9º.- Procura que teña **a súa disposición todos os materiais** que vai precisar en cada momento, incluídos: borrador, pegamento, tesoiras, punzón, almohadiña, ...

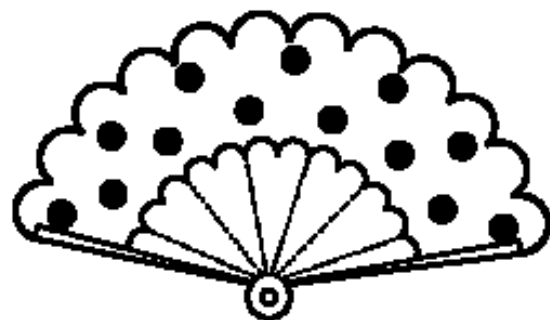

10º.- Naquelas fichas onde se pide que **resiga** unhas liñas discontinuas ou letras, é moi importante que o faga **seguinto a dirección correcta** tal e como sinalan as frechas ou o punto gordo. Non esquezas que estos trazos constituen a base da súa futura escritura.

11º.- Cada ficha debe rematarse poñendo ou resiguindo (en maiúsculas grandes para que lles sexa máis doado) o seu **nome**.

12º.- **Conserva este caderno** cando o remate, para logo **levar á escola** e facer unha posta en común. Deste xeito o teu fillo/a porá máis interese en realízalos correctamente e ó mesmo tempo teremos unha idea máis precisa do moito que traballou.

Moitos biquiños e moitas grazas polo voso esforzo,

Rosa M<sup>a</sup> Rodríguez
