VOCABULARY

Activity 1

Making a collaborative GLOSSARY

Divide the words and expressions in the boxes below among all the students in the class. Then, look up the words and expressions you've been assigned in the ***Oxford Advanced Learner's Dictionary*** and provide a definition and one or two examples.

Upload them to the Collaborative Glossary.

You will be able to add new words to the glossary all along the development of the unit.

Choose your words and expressions!

✓ Cases	✓ Buy online
✓ Cough	✓ Catch an illness
✓ Covid 19	✓ Covid-free
✓ Fail	✓ Face covering
✓ Fail	✓ Handle a crisis
✓ Germs	✓ Keep safe distances
✓ Infect	✓ Make an effort
✓ Lockdown	✓ Pay by credit card
✓ Pandemic	✓ Private event
✓ Sanitize	✓ Public event
✓ Succeed	✓ Stay at home
✓ Succeed	✓ Take your temperature
✓ Tissue	✓ Travel bubble
✓ Transmission	
✓ Vaccine	
✓ Virus	

Activity 2

2A. Practice your vocabulary

In your notebook, complete the expressions with words from the box below. (If there's a word you don't know, remember that you can add it to the glossary.)

*your hand - online - your temperature - a mask - a tissue - your hands -
safe distances - by credit card - online - upset / bored*

- Wear
- Feel
- Sanitize
- Pay
- Use
- Buy
- Chat
- Take
- Keep
- Wave

2B. Now complete the sentences with the correct expression.

1. We have to to cover our nose and mouth in public places.
2. Sometimes we after reading sad news.
3. I used to with my friends during lockdown.
4. We can't stand too close to our friends, we have to
5. We when we get to school and after each break with special sanitizer.
6. When we go shopping my dad usually, it's safer than using paper notes.
7. We should if we have a snotty nose.
8. We usually instead of going to the shopping centre.

Activity 3

Let's play! Hangman
