

# Solutions to tasks Friday 20th

## 1 Read the sentences and follow the correct answers below. Which geographical feature do they go to?

1. You can stand in **SHALLOW** water.
2. A **CAVE** is under the ground.
3. An apple fell on the **GROUND**.
4. It's difficult to walk on **ROCKY** ground.
5. You can often find crocodiles in a **SWAMP**.
6. It's difficult to climb a **STEEP** mountain.

## 2 Circle the words in the puzzle. Then use them to complete the e-mail.

Path field flat deep sandy waterfall

Hi Jill,

We had an amazing weekend. First, we sat on the <sup>1</sup> **SANDY** beach and watched the ships in the sea. Then, we walked through a green <sup>2</sup> **FIELD** full of colourful flowers. After that, we walked on a <sup>3</sup> **PATH** through a forest. Soon, we came to a river with a beautiful <sup>4</sup> **WATERFALL**. We couldn't walk across the river because it was too <sup>5</sup> **DEEP**, so we returned to the field. We found some <sup>6</sup> **FLAT** dry ground in the field. It was a perfect place to put our tent.

## 3. TRANSLATE THESE SENTENCES INTO ENGLISH.

1. Mi madre no hizo la tarta ayer porque no había suficiente harina.

**My mother didn't make the cake yesterday because there wasn't enough flour.**

2. Ayer perdí la cartera mientras estaba comprando protector solar y jabón.
