When the video opens, you have the online activity. After every sequence you have a question to answer.

If you want to enjoy the video without interruption, click on “ play mode”- “watch video without quizz” and have a laugh with Mr Bean.

Nota: Cambiaremos nuestra forma de trabajar y empezaremos a trabajar a través de goodle drive(y no de google classroom como os habíamos dicho) para poder compartir documentos. Así, podeis mandarnos los ejercicios por correo y nosotros os los podemos corregir y supervisar.

Para empezar, enviadnos un correo con vuestro nombre a :
