

## **TASKS FOR WEDNESDAY 25TH**

Hi, everybody. How are you?

Today we are going to do some reading and writing exercises:

1. Put these sentences in order and you will have a “frightening” story.
2. Now use these pictures to write a story.

**We will not upload the solution for these activities so you have to send them to Conchita and me on google docs.**

**Acordaos de compartir con nosotras los documentos para que podamos corregirlos online.**
