### READING (10 points)

#### 25. Read Emma's blog. Answer the questions in complete sentences.

I'm sitting in my favourite café and I'm drinking a delicious banana milkshake. I come here early every Saturday because it's very quiet then and I can write my blog before I meet up with my friends. The people who work here are very friendly and they always prepare nice food. I usually have breakfast when I come here – yoghurt with fresh fruit, an egg, some cheese and some fresh bread and butter. It's very cheap too!  
I think food is very important and I want to eat healthy things. At the moment I'm not eating meat because you often can't tell where it comes from when you buy it in the supermarket. Mum thinks I'm crazy and she says she doesn't have time to go to the market to buy local meat. I'm happy with fruit and vegetables and sometimes I have fish. Today I'm cooking for my family so I'm going to the market now to see what I can find.

1. Where is Emma?

2. Why does she go there early?
