Instrucións

Nesta proba vas escoitar e ler unha serie de textos sobre os que terás que responder algunhas preguntas. Pon moita atención.

Algunhas preguntas terán **catro posibles respostas**, pero **só unha** é correcta. Rodea a letra que se atopa xunto a ela. Fíxate no exemplo:

Example 1

How many days are there in a week?

- A. 6 days.
- ☒ B. 7 days.
- C. 8 days.
- D. 9 days.

Se te equivocas ou decides cambiar a túa resposta, risca cunha aspa (X) a túa primeira escolla e rodea a resposta que consideras correcta.

Example 2

How many days are there in a week?

- ☒ A. 6 days.
- ☒ B. 7 days.
- C. 8 days.
- D. 9 days.

Ás veces, terás que marcar o recadro correcto **poñendo unha aspa (X)**.

Example 3

Mark the sentences as true or false with an X.

	True	False
A week has 7 days.	X	
A week has 8 days.		X

Noutras preguntas pedirásече que **escribas** unha resposta ou un texto nun espazo sinalado.
