MY FAMILY

My family is very special to me. I have a mother, a father, and two brothers. We live in a small town and we are very close together. My mother is a teacher and my father is a doctor. My brothers are in high school and college. We all love each other very much and we have a lot of fun together. I am very proud of my family and I love them very much.

MY FAMILY AND FRIENDS

My family and friends are the most important people in my life. They are the ones who love me and support me. I have a very close relationship with my family and I love them very much. My friends are also very important to me and I love them very much. We all have a lot of fun together and we are very close together.
