Directions

A COMPASS

A compass helps you to find directions.
Maps are usually made with North at the top and South at the bottom.

Complete the map.

- To the East of the school draw a playground.
- To the West of the school draw a wood.
- To the North of the school draw a football field.
- To the South of the school draw a road.

A large rectangular map area. In the center is a drawing of a school building with a gabled roof and several windows. The word "SCHOOL" is written on the side of the building. At the top center of the map is a circle containing the letter "N". At the bottom center is a circle containing the letter "S". On the left side, centered vertically, is a circle containing the letter "W". On the right side, centered vertically, is a circle containing the letter "E".
