

DETALLES DE SANEAMIENTO

- Figure 1 consists of four schematic diagrams labeled (a) through (d).
 (a) A top-down view of a square grid. In the center is a circle with a diameter of 10 cm. The grid is composed of 10x10 squares.
 (b) A side view of the grid. It shows a rectangular frame with a height of 10 cm. Inside, there is a central region with a height of 10 cm.
 (c) A top-down view of the grid, similar to (a), but with a different central region.
 (d) A top-down view of the grid, similar to (a), but with a different central region.
